Product short description:

Nastrino Esploratore Anfibio is a versatile outdoor strap for hikers, campers and water activities. Built to endure varied conditions, it stays lightweight and compact so it fits easily in a backpack or pocket while offering reliable handling in wet environments.

- **Material:** Made from quality materials for durable, everyday use.
- **Use:** Suitable for hiking, camping and activities on or near water.
- **Grip:** Designed to provide a secure hold even in damp conditions.
- **Portability:** Compact, lightweight design keeps it ready in your pack or pocket.

Product description:

Product overview

The Nastrino Esploratore Anfibio is a service ribbon awarded to personnel who have completed the Esploratore Anfibio course. It is intended for military, tactical and duty personnel who wear ribbons on uniforms or ribbon bars as proof of training and qualification.

Definition: a small service ribbon 10 mm high and 37 mm wide, with a sea?green background and a 2 mm black horizontal stripe, worn as a mark of qualification.

Main features

Simple, durable and available in common mounting options for uniform display.

- **Size:** 10 mm high × 37 mm wide.
- **Design:** sea?green (aquamarine) background with a 2 mm black horizontal stripe.
- **Formats:** regular flat and slightly domed "Elite" variant.
- **Rear attachments:** available with clamps or screws for secure mounting.
- **Ribbon bar compatibility:** can be mounted on two? or multi?place ribbon bars (portanastrini).
- **Built for wear:** produced with attention to detail to maintain appearance over time.

How to use / When it’s useful

Use this ribbon on service or dress uniforms, mounted alone or grouped with other ribbons on a ribbon bar. Select the rear attachment type (clamps or screws) that fits your ribbon bar or uniform mounting method.

Quick answer: mount on a ribbon bar or attach directly using the chosen rear fitting.
In most cases, the flat format suits standard displays while the Elite (slightly domed) offers a subtle raised finish for presentation purposes.

Care and notes

Keep the ribbon clean and avoid harsh chemicals; choose the correct format and attachment for your uniform to ensure proper fit and longevity.

- Store flat in a dry place to protect the finish.
- Choose clamps for removable mounting or screws for a more permanent fit.
- Check ribbon bar compatibility (two or more places) before ordering.
- Availability is limited; order promptly if you need a specific variant.

FAQ

Q: Who can receive the Nastrino Esploratore Anfibio?

A: It is awarded to personnel who have successfully completed the Esploratore Anfibio course. It serves as a training qualification ribbon for uniformed staff.

Q: What are the ribbon dimensions?

A: The ribbon measures 10 mm in height and 37 mm in width, with a 2 mm black horizontal stripe on a sea?green background.

Q: Which formats and attachments are available?

A: Available in a regular flat format and a slightly domed "Elite" variant. Rear attachments come as clamps or screws to suit different mounting preferences.

Q: Can the ribbon be mounted on a ribbon bar?

A: Yes. It can be fitted on ribbon bars with two or more places, allowing multiple ribbons to be joined on a single metal base.

Q: How do I choose the right variant?

A: Select the flat format for a standard look or the Elite domed variant for a raised finish. Pick clamps for removable use or screws for a fixed installation.

Q: Is this ribbon always in stock?

A: Stock is limited and demand can be high. If you need a specific format or attachment, it’s best to order soon.

Tip: When ordering, choose the variant and rear attachment that match your ribbon bar or uniform. Also consider browsing compatible ribbon bars and mounting accessories to complete your display in a military, tactical or duty context.
