## Product description:

### Product overview

The Nastrino Qualificazione Anfibia (Amphibious Qualification ribbon) is a service ribbon for personnel who have completed amphibious qualification training. It is intended for military, tactical, and duty users who want an accurate insignia to show amphibious skills.

Definition: a compact specialty ribbon 10 mm high and 37 mm wide that represents competence and training in aquatic operations.

## Main features

Clear, service-ready design with options for personal preference and display on ribbon bars.

- **Distinctive design:** sea-green (aqua) background with a 2 mm horizontal red stripe.
- **Compact size:** 10 mm height × 37 mm width.
- **Two finishes:** regular flat or slightly domed Elite variant.
- **Attachment options:** rear clamps or rear screws for secure fitting.
- **Ribbon bar ready:** can be mounted on a two- or multi-position metal ribbon bar.
- **Suitable for:** military, police, and tactical uniform use.

## How to use / When it's useful

Quick answer: wear the Nastrino Qualificazione Anfibia on the uniform ribbon bar to indicate completion of amphibious qualification. Choose the flat or Elite variant and the preferred rear attachment before ordering.

In most cases, the ribbon is used alongside other service ribbons on a metal ribbon rack (two or more positions) to present qualifications in an organized way. It is appropriate for duty uniforms, ceremonial dress, and display in a collection of military surplus insignia.

## Care and notes

Basic care preserves appearance and fastening integrity; handle the ribbon gently and choose the correct attachment for your uniform.

- Wipe with a soft, dry cloth; avoid abrasive cleaners or solvents.
- Store in a dry place to prevent corrosion of metal fittings.
- Choose clamps or screws based on your uniform's mounting holes and preference.
- Small size — handle carefully when fitting to avoid losing small parts.

## FAQ

**Q:** What are the exact dimensions?

**A:** The ribbon measures 10 mm in height and 37 mm in width.

**Q:** Which attachment types can I choose?

**A:** You can select a rear attachment with clamps or with screws, depending on how you plan to mount it to your uniform or ribbon bar.

**Q:** Are there different finishes or styles?

**A:** Yes. The ribbon is available in a regular flat finish and a slightly domed Elite variant for a subtly raised look.

**Q:** Can I mount several of these ribbons together?

**A:** Yes. The nastrino can be supplied mounted on a two- or multi-position metal ribbon bar for a neat, organized presentation.

**Q:** Is the color pattern specified?

**A:** The design features a sea-green (aqua) background with a 2 mm horizontal red band across the ribbon.

**Q:** How do I order the correct variant?

**A:** Use the dropdown menu on the product page to select the finish (flat or Elite) and the desired rear attachment before adding the item to your cart.

**Tip:** Choose the finish and attachment that match your uniform requirements, and check ribbon bar options if you plan to display multiple ribbons; consider browsing related tactical and military surplus insignia to complete a coordinated set.
