Product features:

Product short description:

Authentic US-DOG TAGS military dog tags in high-quality stainless steel, made for anyone seeking a genuine military look, a personalized ID tag, or a meaningful keepsake.

- **Material:** High-quality stainless steel, resistant to wear and suitable for everyday use.
- **Design:** Classic military dog tag style supplied without rubber silencers to preserve an authentic appearance.
- **Personalization:** Can be engraved to add names, numbers, dates or a short message.
- **Use:** Wear as a fashion accessory or identification tag, or keep as a special memento — ideal as a gift for collectors and enthusiasts.
- **Finish:** Smooth surface ready for engraving and naturally ages with regular use.

Product description:

Product overview

US-style military dog tags without rubber silencers, designed for collectors, reenactors, tactical gear users, police and military surplus buyers. Definition: a dog tag is an identification plate worn on a neck chain; these are blank, polished aluminum ID plates supplied without engraving.

These are neutral, shiny USA-style tags made from rust-resistant aluminum and supplied with two chains. They come unengraved and without silicone/rubber silencers, making them ready for personalization or display.

Main features

Key specifications and features at a glance:

- **Material:** Polished, rust-resistant aluminum.
- **Sold unengraved:** No factory engraving on the tags.
- **No silencers:** Rubber/silencer grommets are not included.
- **Primary chain length:** 61 cm.
- **Secondary chain length:** 12 cm.
- **Tag size:** 4 x 4.5 cm (width x height).
- **Neutral US-style look:** Suitable for tactical, police, duty or military surplus use.

How to use / When it’s useful

Quick answer: wear the primary chain around your neck and use the shorter chain for stacking or pairing additional plates. These blank tags are ideal for personal ID engraving, display, reenactment, or everyday tactical-style wear.

In most cases, users add custom engraving or attach additional tags and dog-tag accessories for duty or display purposes. If you want engraved tags or silencers, personalization and accessories are available separately through our site.

Care and notes

Basic care keeps the finish bright and the chains functioning properly.

- Wipe with a soft cloth to remove fingerprints and dirt.
- Dry thoroughly after exposure to water; avoid strong chemicals or abrasive cleaners.
- Tags are rust-resistant aluminum but not indestructible—handle accordingly.
- Sold without engraving and without rubber silencers; personalization and silencers are offered separately.

FAQ

Q: Are these dog tags engraved?

A: No. The tags are supplied blank (no engraving). Custom engraving options are available separately on our site if you want personalized text.

Q: What material are the tags made from?

A: They are made from polished, rust-resistant aluminum, which gives a shiny finish while resisting corrosion under normal use.

Q: Do the tags include rubber silencers (grommets)?

A: No. These dog tags are sold without silicone or rubber silencers. Silencers and other accessories can be purchased separately if needed.

Q: What are the chain lengths and tag dimensions?

A: The primary neck chain is 61 cm long and there is a secondary chain of 12 cm. Each tag measures 4 x 4.5 cm (width x height).

Q: Are these official U.S. military issue tags?

A: These are neutral, US-style dog tags with an original look. They are not certified as official issued military identification.

Q: Can I use these tags for daily duty or tactical purposes?

A: Yes, they are suitable for tactical-style wear, reenactment, and display. They should not replace any official military or legal identification required for duty.

Tip: Choose the chain length and tag variant that match your intended use (wear, display, engraving). Browse matching accessories like silencers or engraving services to complete your setup.
