Product short description:

The Nastrino Selettore Attitudinale is a ribbon-style accessory designed to help identify and showcase your natural aptitudes. Suited for anyone pursuing personal or professional development, it acts as a practical self-assessment aid and a tasteful, ready-to-give accessory.

- **Material:** Made with high-quality materials for a durable, refined finish.
- **Use:** Simple tool to guide reflection and help clarify personal inclinations.
- **Benefit:** Supports more informed, deliberate choices in career and personal growth.
- **Gift:** Compact and elegant — an appropriate present for those exploring their potential.

Product description:

Product overview

The **Attitudinal Selector Ribbon (Nastrino Selettore Attitudinale)** is a recognition ribbon issued to personnel who have completed the Selettore Attitudinale course. It is intended for military, tactical, and duty personnel who need an accurate, regulation-sized ribbon for uniforms or display.

Definition: this ribbon measures 10 mm high and 37 mm wide with a 2 mm horizontal silver stripe on a white background. It is suitable for military surplus collectors, police duty uniforms, and

tactical display cases.

Main features

Clear, regulation-style design with several mounting and finishing options to fit different ribbon bars and uniform requirements.

- **Standard size:** 10 mm height × 37 mm width.
- **Design:** white background with a 2 mm horizontal silver stripe.
- **Finish options:** flat regular or slightly domed Elite variant.
- **Mounting options:** rear attachment with clamps or with screws (selectable).
- **Compatibility:** fits two-place or multi-place ribbon bars (portanastrini) for combined displays.
- **Suitable use:** for uniform wear, collections, or display on tactical and police gear.

How to use / When it’s useful

Attach the ribbon to a ribbon bar or display base using the chosen rear fitting (clamps or screws). Quick answer: choose clamps for easier removal or screws for a more secure, fixed attachment.

Use the ribbon when showing official recognition on duty uniforms, tactical vests, or in a military surplus collection. In most cases, the 37 mm format is compatible with standard Italian-style ribbon bars and multi-place metal bases.

Care and notes

Handle and mount the ribbon carefully to preserve its shape and finish; choose the attachment type that matches your ribbon bar and display needs.

- Select clamps for quick removal, or screws for a permanent fit.
- Check compatibility with your two- or multi-place ribbon bar before ordering.
- Store flat or on a ribbon bar to avoid bending the ribbon.
- Limited stock: availability may be restricted due to demand.

FAQ

Q: Who is eligible to receive the Attitudinal Selector Ribbon?

A: The ribbon is issued to personnel who have completed the Selettore Attitudinale course and is intended as a recognition item for that qualification.

Q: What are the exact dimensions of the ribbon?

A: The ribbon measures 10 mm in height and 37 mm in width, with a 2 mm horizontal silver stripe

on a white background.

Q: What finishing and mounting options are available?

A: Available finishes include a flat regular format or a slightly domed Elite variant. Mounting options include rear clamps or screws, selectable at purchase.

Q: Can I mount this ribbon on a ribbon bar?

A: Yes. It fits ribbon bars designed for two or more ribbons on a single metal base (portanastrini).

Q: Is this ribbon suitable for police or tactical uniforms?

A: Yes. The ribbon is appropriate for military, police, and tactical duty uniforms where this qualification is recognized.

Q: How can I secure my ribbon during purchase?

A: Choose the correct attachment type (clamps or screws) in the product options and add the item to your cart. Note that stock may be limited, so select your preferred variant promptly.

Tip: Choose the correct finish and attachment (clamps or screws) before adding to cart, and consider browsing related ribbon bars and mounting accessories to complete your display or uniform setup.
