Quick answer: wear this ribbon on the uniform as formal recognition of completion of the Interprete Militare course or add it to a ribbon bar for display. It is suited to dress uniforms, collectors, and military surplus displays.

In most cases, the ribbon is fitted directly to the uniform or mounted on a metal base that holds multiple nastrini; choose clamps or screws depending on your uniform or display needs. Select the Elite (domed) finish for a slightly raised appearance or the flat version for a traditional look.
