**Product features:**

**Product short description:**

The Parachute Folding Strap is an essential tool for skydivers and parachuting enthusiasts. It helps create precise, secure folds so your canopy is ready for use.

- **Material:** Durable, lightweight construction for easy handling and long service life.
- **Use:** Guides and secures canopy folds to promote consistent packing and reliable deployment.
- **Design:** Intuitive layout that speeds up packing and reduces effort.
- **Portability:** Compact and easy to carry in a kit or pack.
- **Benefit:** Streamlines pre-jump preparation for a more confident, focused jump.

**Product description:**

### Product overview

The **Nastrino Ripiegatore di Paracadute** is a service ribbon for personnel who have completed the Ripiegatore di Paracadute (parachute rigger/packer) course. It is intended for military, tactical and duty use by authorized staff.

Definition: A small recognition ribbon worn on the uniform to identify qualified parachute packers. This ribbon combines a compact design with durable construction to suit military, police and

tactical uniforms.

**Main features**

Key details and options for the ribbon, suitable for both single wear and mounting on ribbon bars.

- **Size:** 10 mm high × 37 mm wide (standard 37 mm format).
- **Appearance:** Maroon (amaranto) background with a 2 mm dark green horizontal stripe.
- **Format options:** Regular flat or slightly domed "Elite" finish.
- **Attachment choices:** Rear mount with clips (morsetti) or with screws—selectable in the product menu.
- **Multi-ribbon mounting:** Can be fitted on multi-ribbon metal bars (portanastrini) for combined display.
- **Durability:** Made with quality materials for long-lasting wear and resistance to routine use.

**How to use / When it’s useful**

Quick answer: Wear this ribbon only if you are authorized and have completed the Ripiegatore di Paracadute course. It is typically placed on the ribbon bar area of the uniform according to service dress rules.

In most cases, choose the attachment type (clips or screws) that matches your uniform’s mounting system. Use the Elite curved option when a slightly raised appearance is preferred for formal or ceremonial uniforms.

**Care and notes**

Keep the ribbon in good condition by storing it in a dry place and handling it according to uniform care guidelines.

- Only authorized personnel should wear this ribbon.
- Select attachment type in the product dropdown to match your ribbon bar or uniform.
- Limited availability: stock can be low due to demand—check current availability before ordering.
- For multiple ribbons on a single metal base, order or check the compatible ribbon bars (portanastrini).

## FAQ

**Q:** Who can wear the Nastrino Ripiegatore di Paracadute?

**A:** Only personnel who have successfully completed the Ripiegatore di Paracadute course are authorized to wear this ribbon. Follow your service regulations for proper placement.

**Q:** What are the exact dimensions of the ribbon?

**A:** The ribbon measures 10 mm in height and 37 mm in width (standard 37 mm format). These dimensions match common ribbon bar fittings.

**Q:** What finish and mounting options are available?

**A:** Available in a regular flat finish or a slightly domed "Elite" finish. Rear attachments can be chosen with clips (morsetti) or screws—select your preference in the product menu.

**Q:** Can the ribbon be mounted on a multi-ribbon bar?

**A:** Yes. The ribbon can be fitted on multi-ribbon metal bases (portanastrini) designed to hold several ribbons together. Choose compatible ribbon bars when ordering.

**Q:** What is the ribbon made of?

**A:** The ribbon is produced with quality materials intended for durability and routine duty wear. Specific material details are provided by the manufacturer upon request.

**Q:** How do I purchase this ribbon?

**A:** Add the desired variant to your cart and complete checkout. Select the correct attachment and finish from the dropdown to ensure compatibility with your uniform.

**Tip:** Choose the attachment and finish that match your uniform and ribbon bar type, and consider browsing compatible ribbon bars and related duty/tactical insignia to complete your setup.
