Product short description:

'Nastrino Ufficiale Medico' is a medical ribbon designed for healthcare professionals. It adds a polished, professional detail to uniforms for doctors, nurses and other medical staff.

- **Material:** Made from quality materials for everyday use.
- **Durability:** Built to withstand daily wear and provide reliable service.
- **Design:** Elegant, professional appearance that complements any uniform.
- **Attachment:** Easy to apply and remove for quick, secure use.
- **Use:** Ideal for staff who want to display their medical role with pride.

Product description:

Product overview

The Nastrino Ufficiale Medico is a service ribbon worn by personnel who hold the title of Ufficiale Medico (Medical Officer). It marks the medical qualification and is intended for use on dress uniforms, field medical dress, and official ceremonial attire.

Definition: a 10 mm × 37 mm enamelled ribbon bar with a white field and a 2 mm horizontal red stripe that identifies medical service. It fits standard ribbon mounts used on military, tactical, duty and police uniforms and in military surplus collections.

Main features

Clean, professional design with options for mounting and finishing to suit uniform requirements.

- **Size:** 10 mm high × 37 mm wide.
- **Design:** white background with a 2 mm horizontal red stripe symbolising medical service.
- **Finish:** center-loaded on a round enamelled backing for a tidy, professional appearance.
- **Formats:** available in flat (standard) or slightly domed Elite version.
- **Attachment:** rear fixings available with clamps or screws for easy application.

How to use / When it’s useful

Wear the Nastrino Ufficiale Medico on the ribbon bar area of the uniform during official ceremonies, field medical operations, or any formal duty where medical qualification should be displayed.

Quick answer: use the clamp or screw rear fitting to attach the ribbon securely to your ribbon mount. In most cases, choose the flat or Elite finish to match other ribbons on your ribbon bar and the number of slots on your ribbon holder.

Care and notes

Basic care keeps the ribbon looking professional and prevents damage to uniform items.

- Check rear attachment type (clamp or screw) before ordering to ensure compatibility with your ribbon holder.
- Clean gently with a soft, dry cloth; avoid abrasive cleaners or solvents that could damage the enamel.
- Store in a dry place to prevent corrosion of metal parts.
- For multi-slot ribbon bars, confirm spacing and order the correct format for two- or multi-place holders.

FAQ

Q: What are the dimensions of the Nastrino Ufficiale Medico?

A: The ribbon measures 10 mm in height and 37 mm in width. The red stripe across the white field is 2 mm wide.

Q: What does the red stripe mean?

A: The 2 mm red horizontal stripe symbolises medical and health assistance, consistent with traditional medical insignia.

Q: Which attachment options are available?

A: You can choose rear clamps or screws for the attachment. Select the type that matches your existing ribbon mount or uniform fittings.

Q: What is the difference between flat and Elite versions?

A: The flat version is the standard, even finish. The Elite version is slightly domed for a subtle three-dimensional look to match domed ribbon sets.

Q: Can I use this ribbon on multi-place ribbon holders?

A: Yes. The ribbon is made in the 37 mm format and is suitable for two- or multi-place ribbon bars, provided you check spacing and attachment compatibility.

Q: Is the product always in stock?

A: Stock levels can be limited due to demand. If availability is important, check the product page on the site and add the preferred variant to your cart promptly.

Tip: Choose the attachment type and finish (flat or Elite) that match your uniform and ribbon holder. Browse related ribbon and ribbon-holder items to complete a coordinated display without delay.
