Product short description:

The Military Alpine and Mountain Combat Instructor program provides advanced training for those who operate or instruct in mountainous environments. It is designed for outdoor enthusiasts and professionals seeking focused instruction in alpine movement, survival techniques and mountain combat tactics.

- **Use:** Advanced training in climbing, survival and combat tactics specific to mountain terrain.
- **Content:** Practical field exercises to develop safe, strategic movement and survival techniques in difficult alpine conditions.
- **Skills:** Builds confidence, tactical movement, team coordination and decision-making under mountain conditions.
- **Audience:** Suitable for outdoor enthusiasts, mountain guides, rescue teams and military or security professionals.

Product description:

Product overview

The **Istruttore Militare Alpinismo e Combattimento in Montagna** ribbon is a military

recognition ribbon awarded to personnel who have earned the instructor brevet in mountaineering and mountain combat. It is intended for service members, uniformed personnel, and collectors of military surplus and tactical gear.

Definition: a small service ribbon that identifies certified mountain warfare instructors. Suitable for duty uniforms, display on ribbon bars, and military/tactical collections.

Main features

Clear, regulation-sized ribbon with selectable fastening options and two finish styles for standard or slightly domed appearance.

- **Size:** 10 mm height × 37 mm width.
- **Color:** green field with a 2 mm dark green border.
- **Finish options:** flat regulation format or slightly domed "Elite" variant.
- **Attachment choices:** rear clamps or screws, selectable in the product options.
- **Compatibility:** can be mounted on two-place or multi-place ribbon bars (metal base).
- **Visible and professional:** designed for clear recognition on uniform ribbon bars.

How to use / When it’s useful

Quick answer: choose the required attachment type (clamps or screws) from the dropdown before ordering and mount the ribbon on a standard ribbon bar according to your unit's uniform rules. This ribbon is used to display official instructor qualification on dress and service uniforms.

In most cases, the ribbon is fitted alongside other service ribbons on a metal ribbon mount; select a two-or-more place portanastrini if you plan to group several ribbons on a single base. For collectors and military surplus sellers, it is also suitable for display or sales stock.

Care and notes

Basic handling and selection tips to keep the ribbon presentable and correctly fitted.

- Select the correct attachment type during checkout to match your ribbon bar or uniform fittings.
- Wipe gently with a soft, dry cloth; avoid solvents or abrasive cleaners.
- Check screws or clamps periodically to ensure a secure fit on the ribbon mount.
- Stock is limited; consider quantity needs for uniforms or resale when ordering.

FAQ

Q: Who is eligible to wear this ribbon?

A: It is awarded to personnel who have earned the instructor brevet for mountaineering and

mountain combat. Units and organizations may follow their own rules for authorized wear.

Q: What are the exact dimensions?

A: The ribbon measures 10 mm in height and 37 mm in width, with a 2 mm dark green border.

Q: What attachment options are available?

A: You can choose a rear attachment with clamps or with screws; select the preferred option in the product menu before purchase.

Q: Can I mount this ribbon on a multi-place ribbon bar?

A: Yes. It is suitable for mounting on two-place or larger metal ribbon bases designed to hold multiple ribbons together.

Q: What finish options exist for the ribbon?

A: The ribbon is available in the flat regulation format or in the slightly domed "Elite" variant to match different ribbon bar aesthetics.

Q: Is the ribbon always in stock?

A: Availability can be limited due to demand. Check current stock and order the required quantity to avoid delays.

Tip: Choose the correct attachment and finish variant for your ribbon bar before adding to cart, and consider browsing related ribbon mounts and military surplus items to complete uniform presentation or sales inventory.
