- **Material:** High-quality woven ribbon designed for demanding mountain conditions.
- **Use:** Insignia denoting selected military instructor status in mountain operations.
- **Condition:** Carefully made; supplied as the ribbon—see product details for mounting options.
- **Suitable for:** Military personnel, veterans, collectors and ceremonial display.

Product description:

Product overview

The Nastrino Istruttore Militare Scelto di Sci Alpinismo e Combattimento in Montagna is a service ribbon issued to military personnel who have earned the instructor brevet in ski mountaineering and mountain combat. It is intended for qualified instructors, unit supply officers, collectors, and tactical or military surplus retailers.

Definition: a small service ribbon worn to indicate the instructor qualification in ski mountaineering and mountain combat. This item is reserved for those who have earned the brevet and is offered in limited stock with selectable attachment and finish options.

Main features

Clear, durable construction with selectable mounting options and the official color and markings.

- **Official dimensions:** 10 mm high × 37 mm wide, with a 2 mm dark green border.
- **Distinctive marking:** gold letter "S" centered on a green field.
- **Durable materials:** built to retain shape and finish in normal use and display conditions.
- **Packaging options:** standard flat format or slightly domed "Elite" variant.
- **Attachment choices:** rear clamps or screws, selectable in the product dropdown.
- **Multi-ribbon compatibility:** fits metal ribbon bases designed to hold two or more ribbons joined on a single mount.

How to use / When it’s useful

Quick answer: wear it only if you have been authorized by your service or use it as part of a vetted collection or display. Follow unit regulations for placement on uniform ribbon bars or multi-ribbon mounts.

In most cases, choose the attachment type (clamps or screws) at checkout and decide between the flat or Elite finish based on your display needs. This ribbon is useful for duty displays, tactical collections, military surplus shops, and commemorative displays.

Care and notes

Basic maintenance keeps the ribbon presentable and secure on its mount; handle attachments carefully when fitting to a ribbon bar or metal base.

- Store dry and avoid prolonged exposure to harsh chemicals or solvents.
- Check clamps or screws periodically to ensure the ribbon is securely attached.
- Do not wear this ribbon unless you are authorized by the issuing service.
- Limited availability: if stock is low, consider selecting your preferred variant early.

FAQ

Q: Who is eligible to wear this nastrino?

A: It is issued to military personnel who have obtained the instructor brevet in ski mountaineering and mountain combat. It should only be worn by those authorized by their service.

Q: What are the exact dimensions?

A: The ribbon measures 10 mm in height and 37 mm in width, with a 2 mm dark green border and a gold "S" at the center.

Q: What packaging and finish options are available?

A: You can choose the standard flat format or the slightly domed Elite variant. Select the desired finish from the product options before purchase.

Q: What attachment types can I select?

A: Rear attachment is available with either clamps or screws. Pick the attachment type that matches your ribbon bar or metal base.

Q: Can this nastrino be mounted on a multi-ribbon holder?

A: Yes. The ribbon is compatible with metal bases designed to hold two or more ribbons joined on a single mount. Ensure the base accommodates the chosen attachment type.

Q: How durable is the nastrino?

A: It is made from durable materials intended to maintain appearance under normal use and display. Follow the care notes to preserve finish and attachment security.

Tip: Choose the correct finish (flat or Elite) and attachment type (clamps or screws) in the product options to match your ribbon bar or display. Browse related ribbons and ribbon holders to complete your tactical, military surplus, or duty display collection.
