Product overview

The **Nastrino Istruttore Militare Sci Combattimento Montagna** is a service ribbon awarded to personnel who have earned the military ski and mountain combat instructor brevet. It is intended for military staff, collectors of military surplus, and anyone displaying tactical or duty uniform insignia.

Definition: a small ribbon, 10 mm high and 37 mm wide, used to identify holders of the mountain combat ski instructor qualification. The ribbon is suitable for tactical displays, military surplus collections, and duty or police uniform ribbon bars.

Main features

Designed for durability and correct appearance, this instructor ribbon is available in two finish options and multiple mounting choices to fit different ribbon bars.

- **Size:** 10 mm high × 37 mm wide.
- **Color:** green field with a 2 mm red border.
- **Finish options:** regular flat or slightly convex "Elite" variant.
- **Mounting:** rear attachment with clamps or screws, selectable in the product menu.
- **Multi-ribbon support:** can be mounted on multi-place ribbon bars (two or more positions) on a single metal base.
- **Built for use:** made to maintain a professional look on uniform displays and collector racks.

How to use / When it’s useful

Use this nastrino on your uniform ribbon bar or on a display rack to identify personnel certified as mountain combat ski instructors. It fits standard mounting systems and can be combined with other ribbons on a single base.

Quick answer: choose clamps or screws in the menu to match your ribbon bar. In most cases, select the flat format for a classic look or the Elite variant for a slightly rounded, more prominent appearance.

Care and notes

Keep the ribbon clean and mounted correctly to preserve its appearance and attachment strength.

- Avoid abrasive cleaning; wipe gently with a soft, dry cloth.
- Confirm clamp or screw choice before purchase to match your ribbon bar hardware.
- When mounting multiple ribbons, ensure correct alignment on the metal base.
- Limited stock is typical due to specific demand; check availability before completing large orders.

FAQ

Q: What are the ribbon dimensions?

A: The ribbon measures 10 mm in height and 37 mm in width. The red border is 2 mm wide.

Q: What color is the nastrino?

A: It has a green field with a 2 mm red frame. The colors follow the standard appearance for this instructor ribbon.

Q: What attachment options are available?

A: You can choose a rear attachment with clamps or with screws. Select the preferred option from the product menu before ordering.

Q: Can it be mounted on multi-place ribbon bars?

A: Yes. The ribbon can be mounted on ribbon bars with two or more positions, assembled on a single metal base to display multiple ribbons together.

Q: What is the difference between the regular and Elite formats?

A: The regular format is flat. The Elite variant is slightly convex (rounded), giving a more pronounced profile on the ribbon bar.

Q: Who receives this ribbon and is it readily available?

A: The nastrino is issued to personnel who have obtained the mountain combat ski instructor brevet. Availability can be limited due to demand; please check current stock when ordering.

Tip: Choose the correct attachment (clamps or screws) and the finish (flat or Elite) before adding to cart. Browse related ribbon bars and mounting options to ensure a matched presentation for your tactical, military surplus, or duty collection.
