Product short description:

Military Ski Mountaineering Instructor course for those operating in alpine environments. It combines ski mountaineering instruction with high-altitude combat techniques to build safety, competence and confidence on snow.

- **Use:** Movement and operations on snow-covered alpine terrain and in severe mountain conditions.
- **Training:** Ski mountaineering techniques and high-altitude combat tactics, with focus on equipment use and route choice.
- **Skills:** Improve agility on snowy slopes, manage extreme conditions, and handle mountain gear competently.
- **Ideal for:** Military personnel, instructors, and serious outdoor enthusiasts seeking disciplined mountain training.
