Product short description:

The Istruttore Militare Scelto di Sci Alpinismo e Combattimento in Montagna is professional mountain combat and ski-mountaineering equipment for military personnel, guides and experienced outdoor users. It provides durable, versatile support in demanding alpine conditions.

- **Material:** High-quality construction for durability in harsh environments.
- **Use:** Supports mountain combat roles and ski mountaineering.
- **Design:** Ergonomic layout for comfort, stability and safety during prolonged use.
- **Ideal for:** Adventure enthusiasts, mountain professionals and military users.

Product description:

Product overview

The Instructor Military Selected Ski Mountaineering and Mountain Combat ribbon is a service ribbon awarded to military personnel who have earned the instructor brevet in this mountain specialty. Definition: a small service ribbon that identifies trained instructors in ski mountaineering and mountain combat.

This ribbon is intended for uniform wear or for display in military, tactical and military-surplus collections. It measures 10 mm high by 37 mm wide and features a green field with a 2 mm blue border and a gold letter "S" at the center.

Main features

Clear, durable design with mounting options to suit uniform or display needs.

- **Distinctive design:** green ribbon with a 2 mm blue frame and a gold "S" centered.
- **Exact dimensions:** 10 mm high and 37 mm wide.
- **Durable construction:** made from materials designed to withstand field conditions.
- **Mounting options:** available flat (regular) or slightly domed Elite version with rear clips or screw attachments.
- **Display ready:** fits on two-place or multi-place ribbon bars for an orderly presentation.

How to use / When it’s useful

Quick answer: wear the ribbon only if you have the corresponding instructor brevet and follow your service’s uniform regulations. Use it on the service uniform ribbon bar or on display boards for collections and military surplus stores.

In most cases, the ribbon is mounted on standard ribbon bars using the chosen attachment (clips or screws). For collectors and stores, it provides a recognized identifier of training and duty in mountain combat and ski mountaineering specialties.

Care and notes

Keep the ribbon in good condition with simple handling and periodic checks of attachments.

- Wipe gently with a soft, dry cloth; avoid solvents or abrasive cleaners.
- Check clips or screws occasionally to ensure secure mounting.
- Choose flat or Elite (slightly domed) based on display and uniform preference.
- Wear only if authorized by your service; this ribbon represents earned qualifications.

FAQ

Q: Who is eligible to wear this ribbon?

A: The ribbon is awarded to military personnel who have earned the instructor brevet in ski mountaineering and mountain combat. It should be worn only by authorized holders.

Q: What are the ribbon’s dimensions?

A: The ribbon measures 10 mm in height and 37 mm in width, with a 2 mm blue border and a

gold "S" in the center.

Q: What mounting options are available?

A: You can choose the regular flat format or the slightly domed Elite variant. Rear attachments are available as clips (morsetti) or screws, depending on preference.

Q: Can the ribbon be mounted on a ribbon bar?

A: Yes. It fits on two-place or multi-place ribbon bars designed to hold multiple ribbons for an organized presentation.

Q: What are the ribbon colors and central emblem?

A: The ribbon is green with a 2 mm blue frame and a gold letter "S" centered on the ribbon, as described in the official design.

Q: Is this ribbon durable for field use?

A: The ribbon is made with durable materials intended to resist normal field conditions, but regular checks of attachments and gentle cleaning are recommended.

Tip: When ordering, select the attachment type (clips or screws) and the flat or Elite variant that best fits your uniform or display needs; consider browsing related ribbons and ribbon bars to complete a tidy, duty-ready presentation.
