- **Design:** Slim, elegant and functional - adds a discreet style to your kit without bulk.
- **Attachment:** Easy to apply and remove for quick gear organization on the trail.

Product description:

Product overview

The Guida Alpina ribbon is a recognition ribbon awarded to personnel who have earned the Guida Alpina brevet; it is intended for military, duty and tactical personnel or collectors who need an authentic ribbon for uniform use or display. This ribbon signals competence in alpine duties and is used where the Guida Alpina qualification is officially recognised.

Definition: the Guida Alpina ribbon is a green ribbon with a white border, measuring 10 mm high and 37 mm wide, used to represent the Guida Alpina qualification.

Main features

Durable, regulation-sized ribbon available in standard and a slightly convex Elite finish, with selectable mounting options to suit ribbon bars and holders.

- **Size:** 10 mm high and 37 mm wide.
- **Colour:** Green ribbon with a white frame.
- **Formats:** Regulation flat format or slightly convex "Elite" variant.
- **Mounting options:** Rear attachment with clamps or screws, selectable at purchase.
- **Materials:** Made from durable materials designed for long-lasting appearance.
- **Packaging:** Can be fitted on ribbon mounts with two or more positions for presentation or uniform bars.

How to use / When it’s useful

Quick answer: Wear the Guida Alpina ribbon on the ribbon bar or holder when authorised as part of a uniform or display. Choose the flat or Elite variant and the mounting style that matches your existing ribbon bar.

In most cases, this ribbon is used for formal or ceremonial uniforms, service displays, or as part of a military surplus or tactical collection. It is useful for personnel maintaining correct duty appearance or for collectors seeking an accurate representation of alpine qualification insignia.

Care and notes

Simple care keeps the ribbon looking its best and ensures correct fit on your ribbon bar or display holder.

- Keep clean and dry; avoid harsh chemicals that could affect colour or finish.
- Select the correct rear attachment (clamps or screws) to match your ribbon bar or mount.
- Specify if you need the ribbon fitted to a multi-position ribbon holder when ordering.
- Availability may be limited due to demand; check variant and mounting options before checkout.

FAQ

Q: Who can receive the Guida Alpina ribbon?

A: The ribbon is awarded to personnel who have obtained the Guida Alpina brevet. It is intended for those authorised to wear it under their organisation's regulations.

Q: What are the dimensions of the Guida Alpina ribbon?

A: The ribbon measures 10 mm high and 37 mm wide. These dimensions follow the standard

sizing for this qualification ribbon.

Q: In which formats is the ribbon available?

A: It is available in the regulation flat format and a slightly convex "Elite" variant. Choose the style that matches your existing ribbon set or personal preference.

Q: How is the ribbon attached to a ribbon bar?

A: The ribbon comes with a rear attachment that can be supplied with clamps or screws, selectable at purchase to suit different ribbon bars or mounts.

Q: Can the ribbon be fitted on multi-position ribbon holders?

A: Yes. The ribbon can be packaged and fitted on ribbon mounts with two or more positions; indicate the required configuration when ordering.

Q: Is the ribbon durable for regular use?

A: Yes. It is made from durable materials intended to retain appearance over time, but proper care—avoiding moisture and chemicals—will help preserve it.

Tip: Choose the correct variant (flat or Elite) and mounting option (clamps or screws) before adding to cart; browse related tactical, military surplus and duty items to complete your ribbon bars or uniform set.
