Product overview

The Nastrino Istruttore Militare di Paracadutismo is an official ribbon awarded to personnel who have earned the Istruttore Militare di Paracadutismo brevetto. It is designed for wear on dress uniforms by qualified military parachute instructors and is also of interest to collectors of military

surplus and tactical insignia.

Definition: This ribbon is a maroon (amaranto) service ribbon with a 2 mm red border, produced in the standard 37 mm width for uniform mounting.

Main features

Simple, durable design with mounting options to suit standard ribbon bars and individual display needs.

- **Color and trim:** Maroon ribbon with a 2 mm red frame for immediate recognition.
- **Size:** Standard 37 mm width.
- **Shape options:** Available flat (regular) or in a slightly domed Elite variant.
- **Mounting:** Can be supplied with a ribbon holder using clamps or screws for secure attachment.
- **Compatibility:** Suitable for single mounts or multi-slot ribbon bars on a metal base.
- **Build quality:** Made with materials selected for long-lasting appearance and integrity.

How to use / When it’s useful

Quick answer: Attach the ribbon to your uniform using the supplied clamp or screw-style portanastrino (ribbon holder). It fits standard 37 mm ribbon bars and multi-place mounts for orderly presentation.

In most cases, this ribbon is used on ceremonial or dress uniforms by personnel who hold the instructor brevetto; it is also useful for restoration of dress kits, display on tactical or military surplus boards, and for accurate uniform replacements.

Care and notes

Keep the ribbon clean and stored flat or on its mount to preserve shape and color. Handle and display it as an official insignia when worn by qualified personnel.

- Store away from prolonged sunlight and moisture to prevent fading.
- Clean gently with a soft, dry cloth; avoid harsh chemicals.
- Confirm entitlement: the ribbon is officially issued to those with the Istruttore Militare di Paracadutismo brevetto.
- Available in limited quantities; check stock before ordering.

FAQ

Q: Who is eligible to wear the Nastrino Istruttore Militare di Paracadutismo?

A: The ribbon is officially conferred only to personnel who have received the Istruttore Militare di

Paracadutismo brevetto. It is intended for wear by qualified instructors.

Q: What are the ribbon dimensions?

A: The ribbon is produced in the standard 37 mm width used for service ribbons and uniform mounts.

Q: What mounting options are available?

A: You can choose a ribbon supplied with a clamp-style portanastrino or with screw attachments, depending on your preferred method of fixing to the uniform ribbon bar.

Q: Is there a domed or special finish option?

A: Yes. The ribbon is available in a regular flat format and in a slightly domed "Elite" variant for a different visual profile.

Q: How can I be sure I receive an authentic piece?

A: Purchase from verified, authorized suppliers and check product descriptions and seller credentials. Authentic ribbons match the stated color, border width, and size.

Q: Can this ribbon be mounted together with other ribbons?

A: Yes. It can be placed on multi-slot ribbon bars and two-or-more place metal bases designed to hold multiple ribbons in a single row.

Tip: Choose the variant and mounting style that matches your uniform setup—flat or Elite dome, clamp or screw—and consider browsing related ribbons and ribbon holders to complete a correct dress display.
