Product overview

The Nastrino Istruttore Militare Paracadutismo Tecnica Caduta Libera is a service ribbon awarded to personnel who have earned the brevet as Istruttore Militare di Paracadutismo Tecnica Caduta Libera. It is intended for military parachute instructors and collectors of military surplus, tactical insignia and duty uniform items.

Definition: a 37 mm maroon (amaranto) ribbon with a 2 mm red border and a gold "TCL" acronym centered on the ribbon. This ribbon is a formal symbol of qualification and professional recognition.

Main features

Key features designed for uniform use, display and collection.

- **High-quality construction:** Made with durable materials to maintain appearance and shape.
- **Standard size:** Available in the 37 mm format suitable for common ribbon mounts.
- **Distinctive appearance:** Maroon (amaranto) ribbon with a 2 mm red border and a gold "TCL" center emblem.
- **Packaging options:** Choice of regular flat finish or slightly convex "Elite" variant.
- **Mounting choices:** Supplied with a ribbon mount (portanastrino) using clamp or screw attachments, selectable at purchase.
- **Multi-ribbon compatible:** Suitable for mounting on two?place or multi?place ribbon bars (portanastrini).

How to use / When it’s useful

Use the ribbon on dress uniforms, display boards or as part of a military surplus/tactical collection. Fit it into a portanastrino using the selected clamp or screw attachment for a secure hold.

Quick answer: attach the ribbon using the supplied portanastrino with the clamp or screw option you selected. In most cases, the 37 mm format fits standard ribbon mounts and multi?place ribbon bars used for service ribbons.

Care and notes

Simple care keeps the ribbon presentable for uniform wear or display.

- Store in a dry, cool place to avoid color fading or material damage.
- Handle by the edges to prevent oil or dirt transfer to the fabric and emblem.
- Choose clamp or screw attachment based on your uniform’s mounting preferences.
- Availability is limited; quantities may be restricted due to demand.

FAQ

Q: What are the dimensions of the ribbon?

A: The ribbon is available in the 37 mm format, the standard size noted in the product listing for uniform mounts and displays.

Q: What color and markings does the ribbon have?

A: The ribbon is maroon (amaranto) with a 2 mm red border and the gold acronym "TCL" centered on the face of the ribbon.

Q: Which packaging or finish options are available?

A: You can choose the regular flat finish or the slightly convex "Elite" variant when ordering. Select your preference from the product options.

Q: How do I mount the ribbon to my uniform?

A: The ribbon is supplied with a portanastrino and you can select either clamp or screw attachments. Fit the ribbon into the mount and secure it to your ribbon bar or uniform as required.

Q: Can this ribbon be used on multi?place ribbon mounts?

A: Yes. The ribbon is suitable for mounting on two?place or multi?place portanastrini designed to hold multiple ribbons.

Q: Is the ribbon always in stock?

A: No, quantities are limited. Demand is high among qualified personnel and collectors, so availability can be restricted.

Tip: Choose the mounting attachment (clamp or screw) and the finish (flat or Elite) that match your uniform or display. Check related service ribbons and portanastrini to complete a coordinated military surplus or tactical collection.
