Product short description:

Nastrino Istruttore Militare di Volo e Specialità is a military flight and specialty instructor ribbon designed for wear on service uniforms by aviators and instructors. It symbolizes the honor and competence earned through rigorous training and provides a tangible recognition of professional milestones.

- **Material:** Made with high-quality materials for a durable, respectful appearance on the uniform.
- **Use:** Intended for display on service and dress uniforms as a visible sign of instructor status and specialty qualifications.
- **Recognition:** Represents honor and professional achievement gained during military training and service.
- **Display:** Suited for proud presentation on jackets, shirts and formal uniform setups.

Product description:

Product overview

The flight and specialty military instructor ribbon (Nastrino Istruttore Militare di Volo e Specialità) is a service ribbon awarded to personnel who have earned the military flight and specialty instructor brevet. It is intended for military instructors, uniform personnel, collectors, and those

supplying tactical or duty dress items.

Definition: A service ribbon that denotes qualification as a military flight and specialty instructor. This ribbon offers a clear, professional way to display the instructor qualification on uniform ribbon bars and military surplus collections.

Main features

Key specifications and available options for professional, tactical, and duty use.

- **Design:** Light blue field, bordered by a 2 mm blue frame; overall size 10 mm high × 37 mm wide.
- **Durability:** Made from durable materials to maintain appearance under normal use.
- **Formats:** Available in the flat regulation format and a slightly domed Elite variant for a different finish.
- **Mounting options:** Can be supplied with a ribbon holder using clamp or screw attachments, selectable at checkout.
- **Compatibility:** Suitable for assembly on two-or-more place ribbon bars to accommodate multiple ribbons.

How to use / When it’s useful

Use this ribbon mounted on a standard ribbon bar as part of service dress or formal uniforms. Choose the flat version for regulation appearance or the Elite variant for a slightly domed look that stands out in displays and collections.

Quick answer: mount it on a two-or-more place ribbon holder using the chosen clamp or screw attachment. In most cases, select the mounting option at checkout to match your existing ribbon bar and to ensure a secure fit for tactical, military surplus, or police/duty uniforms.

Care and notes

Simple care keeps the ribbon looking its best and ensures correct fit on ribbon bars.

- Limited stock: demand can be high, so check availability before ordering.
- Select the correct mounting option (clamp or screw) when adding to your cart.
- Compatible with multi-place ribbon holders; confirm holder capacity before assembly.
- Clean gently with a soft cloth; avoid abrasive cleaners or solvents.

FAQ

Q: What are the ribbon dimensions?

A: The ribbon measures 10 mm in height and 37 mm in width, with a 2 mm blue border. These

are the standard dimensions for this ribbon type.

Q: Which formats are available?

A: It is available in the flat regulation format and a slightly domed Elite variant. Choose the style that matches your uniform or collection preference.

Q: How is the ribbon mounted?

A: You can order the ribbon with a ribbon holder using clamp or screw attachments. Select the preferred mounting option from the dropdown at checkout.

Q: Can this ribbon be combined with others?

A: Yes. It is suitable for assembly on ribbon bars with two or more positions, allowing tidy and professional arrangement with other ribbons.

Q: What materials are used?

A: The ribbon is made from durable materials designed to retain its appearance in normal service and display conditions. No specific materials beyond durability claims are stated.

Q: Is the ribbon always in stock?

A: Availability can be limited due to demand. If stock is low, consider ordering soon or choosing an alternate mounting option to avoid delays.

Tip: When ordering, pick the flat or Elite variant and the correct mounting option for your ribbon bar; also browse matching ribbon holders and accessories to complete your uniform or military surplus collection.
