Product overview

The **Instructor Ribbon for Military Personal Defense and Disarmament Technique** is a service ribbon for military personnel who have completed instructor certification in personal defense and disarmament techniques. It is intended for certified military instructors, training staff,

and security personnel in tactical, duty, or police roles.

Definition: this ribbon is a small military award that identifies qualified instructors and their technical competence. It serves as a visible sign of authority, skill, and formal training in personal defense and disarmament.

Main features

Designed to meet official style and practical use, the ribbon is available in standard and refined finishes and can be supplied with different mounting options.

- **Official dimensions:** 10 mm high × 37 mm wide, with a 2 mm blue frame around a red field.
- **Color meaning:** red for energy and readiness; blue frame for authority and professionalism.
- **Formats:** flat regulation version and a slightly domed "Elite" variant for a refined look.
- **Single ribbon holder:** choice of rear clamp fastening or screw attachment for secure mounting.
- **Multi-ribbon compatibility:** can be mounted on two- or multi-place metal ribbon bars to display several awards together.
- **Quick dispatch:** typical preparation and shipping time is 24–48 hours before standard delivery.

How to use / When it’s useful

Use the ribbon on service uniforms as a formal recognition of instructor qualification in personal defense and disarmament. Quick answer: wear it according to your service uniform rules and on the appropriate ribbon bar or single holder.

The ribbon is useful for instructors, training officers, and security staff in military, tactical, or police duties to show certified competence. In most cases, you will choose the flat regulation format for traditional uniforms or the Elite variant when a slightly elevated look is preferred.

Care and notes

Keep the ribbon and its mount clean and secure to maintain a neat uniform appearance. Verify eligibility and mounting rules before purchase.

- Wipe the ribbon holder with a soft cloth; avoid abrasive cleaners.
- Choose clamp or screw attachment based on how often you remove the ribbon.
- Store in a dry place to prevent corrosion of the metal mount.
- Check unit or service regulations to confirm award eligibility before buying.

FAQ

Q: Who can receive this instructor ribbon?

A: The ribbon is intended for military personnel who have earned the instructor brevet in personal defense and disarmament techniques. Eligibility depends on your service or unit certification.

Q: Can I personalize the ribbon holder?

A: Yes. You can choose between a rear clamp fastening or screw attachment for the single ribbon holder. Select the option that suits your uniform and handling needs.

Q: What are the ribbon dimensions?

A: The ribbon measures 10 mm in height and 37 mm in width, with a 2 mm blue frame surrounding the red field.

Q: What do the ribbon colors mean?

A: The red field symbolizes energy and readiness for action, while the blue frame signifies authority, balance, and professional leadership.

Q: Can the ribbon be mounted with other ribbons?

A: Yes. It can be fitted to two- or multi-place metal ribbon bars to display multiple awards together in a tidy, professional layout.

Q: How long does preparation and shipping take?

A: Preparation and dispatch normally take 24–48 hours, after which standard delivery times apply. Allow extra time for customized holders.

Tip: Choose the format (flat regulation or Elite) and the holder attachment (clamp or screw) that match your uniform rules and routine. Consider browsing related ribbon holders and multi-place bars to create a consistent, professional display.
