Product short description:

The Nastrino Istruttore Pilotaggio Mezzi Anfibi e Natanti is a prestige instructor ribbon for personnel who train or operate amphibious vehicles and small craft. Made from high-quality materials, it denotes professional skill and is suitable for certified instructors and training staff.

- **Material:** High-quality materials and solid construction for a lasting, professional look.
- **Use:** Designed for instructors of amphibious vehicles and boats; suitable for uniforms and technical clothing.
- **Fit:** Compact format, easy to wear on ribbon bars, lapels or technical garments.
- **Significance:** A formal emblem that communicates experience, authority and dedication to piloting duties.

Product description:

Product overview

Nastrino Istruttore Pilotaggio Mezzi Anfibi e Natanti is a service ribbon awarded to personnel who have earned the instructor brevet for amphibious and small craft handling. It is intended for military and uniformed professionals who want to display their qualification with a formal ribbon.

Definition: A 37 mm-wide service ribbon that identifies qualified instructors for amphibious and small craft piloting. Useful for tactical, military surplus, and duty uniform displays.

Main features

Compact, regulation-sized ribbon designed for long-term wear and neat presentation.

- **Size:** 10 mm high × 37 mm wide, with a 2 mm light-blue frame on an azure background.
- **Finish options:** Standard flat regulation format or slightly domed Elite variant.
- **Attachment choices:** Supplied with a ribbon holder selectable with clamp fittings or screw fittings in the product menu.
- **Durable construction:** Made from sturdy materials to retain shape and color during normal use.
- **Compatibility:** Only available in the 37 mm width and fits multi-place ribbon mounts (two or more places) on a single metal base.

How to use / When it’s useful

Use this ribbon on duty or dress uniforms to show the holder’s instructor qualification for amphibious craft. It fits standard ribbon mounts and can be combined with other service ribbons on multi-place holders.

Quick answer: Attach with the selected clamp or screw ribbon holder for secure display. In most cases, choose the flat format for regulation uniforms and the Elite domed version for a slightly raised appearance.

Care and notes

Basic care and selection tips to keep the ribbon looking correct and compliant.

- Store flat and dry to avoid bending or discoloration.
- Select clamp or screw attachment via the dropdown when ordering to match your mount type.
- Only available in the 37 mm format—verify compatibility before purchase.
- Compatible with multi-ribbon holders; ensure correct spacing on two- or multi-place mounts.

FAQ

Q: What are the ribbon dimensions?

A: The ribbon measures 10 mm in height and 37 mm in width, with a 2 mm light-blue frame on an azure background.

Q: What finishing options are available?

A: You can choose the regulation flat format or the slightly domed Elite variant when ordering.

Q: How is the ribbon attached to a uniform?

A: The ribbon is supplied with a ribbon holder that can be ordered with clamp fittings or screw fittings; select the attachment type in the product menu.

Q: Is the ribbon available in other widths?

A: No. This ribbon is available only in the 37 mm width to meet the stated specification.

Q: Can I mount this ribbon on a multi-place holder?

A: Yes. The ribbon is compatible with two- or multi-place ribbon holders on a single metal base designed for multiple ribbons.

Q: Is the ribbon an official qualification marker?

A: The ribbon is awarded to personnel who have obtained the instructor brevet for amphibious and small craft piloting and serves as a visual marker of that qualification.

Tip: Choose the attachment type and finish that match your current ribbon mount before adding to cart, and check related tactical and military surplus ribbon holders to complete a neat, regulation presentation.
