Product overview

The Nastrino Istruttore Pattugliatore Scelto is a service ribbon for military personnel who have earned the instructor patrolman brevet. It is intended for uniform display by service members, instructors, and collectors of military surplus and duty equipment.

Definition: this is a 10 mm × 37 mm ribbon with a maroon field and a 2 mm light-blue border, available in flat regulatory and slightly curved "Elite" finishes, supplied with selectable attachment

types. Sold through Tutto Militare with variant and attachment options chosen from the product dropdown.

Main features

Compact, regulation-size ribbon designed for clear recognition on ribbon bars or individual mounts—suitable for tactical, police, and military duty use.

- **Size:** Height 10 mm × Width 37 mm.
- **Color:** Maroon (amaranto) background with a 2 mm light-blue border.
- **Formats:** Regulatory flat finish or slightly curved "Elite" finish.
- **Attachment:** Supplied with a ribbon mount; choose clamps (morsetti) or screws (viti) via the dropdown.
- **Mounting:** Can be fitted to multi-place ribbon bars (two or more positions).

How to use / When it’s useful

Use this nastrino on your uniform ribbon bar or on a single-place mount to show the instructor patrol qualification; follow your unit or service wear regulations for placement. It also suits collectors and buyers of military surplus, tactical, and duty gear who want an accurate replica for display.

Quick answer: wear it on the ribbon bar according to your service's rules. In most cases, choose the screw attachment for frequent or intensive use and clamps for easier removal or occasional wear.

Care and notes

Maintain the nastrino as you would any uniform ribbon to preserve color and attachment security; choose the finish and attachment that match your intended use.

- Clean gently with a soft, dry cloth; avoid harsh chemicals.
- Store flat and away from direct sunlight to prevent color fading.
- If the ribbon will be handled or worn often, prefer the screw attachment for greater stability.
- Do not modify or alter the ribbon if it must meet service presentation standards.

FAQ

Q: What are the exact dimensions of the Nastrino Istruttore Pattugliatore Scelto?

A: The ribbon measures 10 mm in height and 37 mm in width. These are the standard dimensions stated for this nastrino.

Q: What color and design does the ribbon have?

A: It has a maroon (amaranto) background with a 2 mm light-blue border. The color scheme matches the traditional design described for this recognition.

Q: Which formats are available?

A: Two formats are offered: the regulatory flat finish and a slightly curved "Elite" finish for a more pronounced look. Choose the format from the product options when ordering.

Q: What types of attachment can I choose?

A: You can select clamps (morsetti) for easy fitting or screws (viti) for stronger, more permanent attachment. Screws are recommended for intensive or frequent use.

Q: Can this nastrino be mounted on multi-place ribbon bars?

A: Yes. The ribbon can be fitted to multi-place ribbon bars that hold two or more ribbons on a single metal base. Check the ribbon mount options when selecting your product.

Q: How do I purchase this ribbon from Tutto Militare?
