- **Use:** Ideal for official ceremonies, awards, or personal recognition.
- **Durability:** Durable construction designed to maintain its look over time.
- **Significance:** A respectful symbol of professionalism and service.

Product description:

Product overview

The nastrino Ufficiale di Armamento is the service ribbon issued to personnel who have earned the Ufficiale di Armamento qualification and is intended for wear on uniform ribbon bars. Definition: the nastrino Ufficiale di Armamento is a 10 mm × 37 mm ribbon worn to denote the Officer of Armaments qualification.

Designed for service and dress use, this ribbon is suitable for military, police and tactical/duty

uniforms that accept standard ribbon mounts. It offers a clear, recognizable insignia that complements multi-ribbon displays.

Main features

Compact, regulation-sized ribbon with standard and Elite finishing options and multiple attachment methods for secure mounting.

- **Size:** 10 mm height × 37 mm width.
- **Design:** black background with a 2 mm horizontal yellow band and a central five-pointed gold star.
- **Formats:** available in flat regulation finish or slightly domed "Elite" variant.
- **Attachment options:** rear clamps or screws, selectable from the product dropdown.
- **Compatibility:** can be fitted to multi-ribbon bars (two or more positions) on a single metal base.

How to use / When it’s useful

Use this nastrino on the appropriate ribbon bar of your uniform to display the Ufficiale di Armamento qualification. It is fitted like other service ribbons and can be combined with other ribbons on multi-position mounts.

Quick answer: choose the flat or Elite finish and the preferred rear attachment (clamps or screws) from the dropdown before adding to cart. In most cases, clamps are suitable for easy removal and screws give a more permanent, stable fit on metal ribbon bars.

Care and notes

Basic care and ordering notes to ensure the ribbon functions and presents correctly with other uniform insignia.

- Select the correct attachment type in the dropdown to match your ribbon bar and mounting preference.
- Handle the ribbon by its edges during fitting to avoid wear to the fabric and central star.
- Can be mounted on two- or multi-place metal ribbon bars; confirm spacing on your ribbon bar prior to ordering.
- Stock can be limited; check availability and order promptly if you need a specific finish or attachment.

FAQ

Q: What are the exact dimensions of the nastrino?

A: The ribbon measures 10 mm in height and 37 mm in width. These are the regulation

dimensions used for this nastrino.

Q: Which attachment options are available?

A: You can choose rear clamps or screws for attachment. The choice is made from the product dropdown at purchase.

Q: Can the nastrino be mounted on a multi-place ribbon bar?

A: Yes. It can be assembled on two- or multi-place metal ribbon bars designed to hold multiple ribbons on a single base.

Q: What does the ribbon look like?

A: It has a black background, a horizontal yellow band 2 mm wide, and a central five-pointed gold star. The appearance is the same across flat and Elite finishes.

Q: Are there different finishes available?

A: Yes. The nastrino is available in a flat regulation finish and a slightly domed "Elite" variant. Choose the finish that matches your uniform style.

Q: How do I choose between clamps and screws?

A: Clamps allow easier removal and reconfiguration of ribbons; screws provide a more permanent and stable attachment. Consider how often you will rearrange ribbons when selecting.

Tip: Choose the finish and attachment variant that match your ribbon bar before adding to cart, and check related military and tactical ribbon accessories to complete your uniform set.
