- **Use:** Official recognition for Second Level Shooting Instructors (CFS).
- **Wear:** Suitable for uniforms or professional clothing.
- **Significance:** Discreet emblem of professionalism and dedication in shooting instruction.

Product description:

Product overview

The Nastrino Istruttore di Tiro Secondo Livello CFS is a recognition ribbon for personnel who hold the Second Level Shooting Instructor qualification as recognized by the Amministrazione CFS. It is intended for certified instructors, uniformed staff, collectors, and anyone who needs an official duty ribbon for professional use.

Definition: the nastrino is a 10 mm × 37 mm ribbon on a red field with a 2 mm yellow border and a gold number 2 at the center, offered in different mounting and finishing options. This official

ribbon adds a clear, verifiable credential to a service record and uniform.

Main features

Designed for durability and professional presentation, the ribbon is available in flat and slightly domed finishes with multiple mounting options to fit duty and ceremonial uniforms.

- **Size:** 10 mm high × 37 mm wide on a red field with a 2 mm yellow frame and a gold "2" at the center.
- **Finish options:** Regular flat or slightly domed Elite variant for a more pronounced profile.
- **Mounting choices:** Delivered with a portanastrini and available with clamp (morsetti) or screw (viti) attachments.
- **Durable materials:** Made to withstand regular use on duty and ceremonial uniforms.
- **Official recognition:** Conferred to personnel certified by the Amministrazione CFS; it is an official ribbon for Second Level Shooting Instructors.
- **Compatibility:** Can be mounted on single or multi-slot portanastrini for display with other ribbons.

How to use / When it’s useful

Quick answer: attach the nastrino to your uniform using the chosen clamp or screw mount on a compatible portanastrini. Choose the flat or Elite finish based on personal preference and uniform regulations.

In most cases, the ribbon is worn on duty uniforms, ceremonial dress, or as part of a ribbon rack. It is useful for verified instructors, tactical or police duty personnel, and collectors of military surplus insignia who require an official appearance item.

Care and notes

Basic care keeps the ribbon presentable and serviceable on uniforms and display racks.

- Keep the ribbon dry and avoid abrasive cleaning; gently wipe with a soft cloth if needed.
- Use the correct mounting method (clamp or screw) to secure the ribbon to the portanastrini.
- Only wear this ribbon if you hold the qualifying Second Level Shooting Instructor authorization from Amministrazione CFS.
- Limited stock: availability may vary, so check options and variants before ordering.

FAQ

Q: Who can receive the Nastrino Istruttore di Tiro Secondo Livello CFS?

A: The ribbon is intended for personnel who have obtained the Second Level Shooting Instructor qualification recognized by the Amministrazione CFS. It represents an official qualification

marker.

Q: What are the ribbon dimensions?

A: The ribbon measures 10 mm in height and 37 mm in width, on a red field with a 2 mm yellow border and a gold number 2 at the center.

Q: What finish and mounting options are available?

A: You can choose the regular flat finish or the slightly domed Elite variant. Mounting is available with clamp (morsetti) or screw (viti) attachments for use with portanastrini.

Q: Can I add this ribbon to a multi-slot portanastrini?

A: Yes. The ribbon can be supplied for single or multi-slot portanastrini so it fits alongside other ribbons on a rack or display holder.

Q: Is this an official recognition from CFS?

A: Yes. This nastrino is described as an official recognition given by the Amministrazione CFS to certified Second Level Shooting Instructors.

Q: What should I consider before ordering?

A: Check your authorization to wear the ribbon, select the preferred finish and mounting type, and note limited availability. Choose clamp or screw attachments based on your portanastrini and uniform needs.

Tip: Select the finish (flat or Elite) and the correct mounting type (morsetti or viti) before adding to cart, and browse related ribbons and portanastrini to complete your uniform presentation without delay.
