- **Mounting choices:** supplied for ribbon mounts with clip (morsetti) or screw (viti) attachments.
- **Official recognition:** issued to personnel with the required instructor qualification from CFS.

How to use / When it’s useful

Quick answer: wear the nastrino on the uniform ribbon bar or on a suitable portanastrino to show certified instructor status. It is primarily used during official duties, training sessions, and formal inspections.

In most cases, select the mounting type (clip or screw) that matches your ribbon bar. Use the Elite domed option if you prefer a slightly raised appearance; choose the flat variant for a traditional look. Only personnel authorized by the Corpo Forestale dello Stato should wear this ribbon.

Care and notes

Simple care and practical notes to keep the nastrino in good condition:

- Keep clean with a soft, dry cloth; avoid abrasive cleaners or solvents.
- Store flat in a dry place to prevent deformation of the ribbon shape.
- Confirm mounting compatibility before purchase for multi-place portanastrini.
- Warning: this is an official recognition ribbon; it should only be worn by authorized personnel.
