Product short description:

The "Nastrino Istruttore Cinofilo CFS Corpo Forestale" is a service ribbon for canine instructors of the Corpo Forestale. Made for handlers and trainers, it recognizes those who train and manage dogs deployed for environmental protection.

- **Material:** Crafted from high-quality materials for a neat, professional appearance.
- **Use:** Intended to be worn on the uniform as a distinctive ribbon.
- **Recognition:** A symbol of dedication and professionalism among CFS canine instructors.
- **Ideal for:** Handlers, trainers and staff working with trained dogs in environmental protection.

Product description:

Product overview

The Nastrino Istruttore Cinofilo CFS Corpo Forestale is a service ribbon awarded to personnel who hold the official instructor qualification recognized by the Administration of the Corpo Forestale. It is intended for handlers and instructors who need an authorized insignia to show their role within the Corpo Forestale.

Definition: this is the official instructor dog-handling ribbon for qualified Corpo Forestale staff. The ribbon measures 10 mm high by 37 mm wide, has a green field with a yellow border, and is offered in flat or slightly domed (Elite) finishes with selectable mounting options.

Main features

Clear, durable design and multiple mounting choices make this ribbon suitable for uniform displays, tactical or duty gear, and collectors of military surplus insignia.

- **Official recognition:** Awarded only to personnel with the instructor cinofilo qualification acknowledged by the Corpo Forestale.
- **Size and appearance:** 10 mm (height) × 37 mm (width), green background with a yellow frame.
- **Finish options:** Standard flat or slightly domed Elite variant.
- **Mounting choices:** Supplied with a ribbon holder using clamps or screws, selectable at purchase.
- **Multi-ribbon compatibility:** Can be fitted on two?position or multi?position ribbon holders (single metal base for multiple ribbons).
- **Durable construction:** Made with resistant materials designed for long use on duty uniforms and tactical kits.

How to use / When it’s useful

Quick answer: wear this ribbon on the uniform where instructor insignia are displayed, using the chosen holder and mounting method. Select clamps or screws based on your uniform needs.

In most cases, the ribbon is used by Corpo Forestale dog-handling instructors during formal duties, ceremonies, and inspections. It is also suitable for display on duty or tactical rigs and for collectors of police and military surplus items.

Care and notes

Basic care will keep the ribbon presentable and secure on its mounting. Verify authorization before wearing and choose the proper holder for your uniform.

- Keep the ribbon clean and dry; wipe gently with a soft cloth.
- Avoid abrasive cleaners or solvents that could damage the finish.
- Check screws or clamps periodically to ensure the ribbon is secure.
- Intended for qualified personnel—do not wear if you are not authorized to display this instructor insignia.

FAQ

Q: Who can receive the Nastrino Istruttore Cinofilo CFS Corpo Forestale?

A: Only staff who have obtained the instructor cinofilo qualification recognized by the Administration of the Corpo Forestale are entitled to this ribbon.

Q: What are the ribbon dimensions?

A: The ribbon measures 10 mm in height and 37 mm in width, with a green background and a yellow border.

Q: Which finish options are available?

A: You can choose the standard flat finish or the slightly domed Elite variant when selecting the product.

Q: What mounting options can I select?

A: The ribbon can be supplied on a ribbon holder with either clamp attachments or screw attachments; choose the option that best fits your uniform or display.

Q: Can this ribbon be mounted with other ribbons?

A: Yes. It can be fitted on multi-position ribbon holders (two or more places) that house multiple ribbons on a single metal base.

Q: How do I order and is stock limited?

A: Add the item to your cart and select the desired finish and mounting options. Stock is limited due to demand from qualified instructors, so availability can vary.

Tip: Choose the finish and mounting method that match your uniform requirements, and check related ribbons and ribbon holders to complete your display without delay.
