Product overview

The **Nastrino Esperto Inventario Forestale** is a service ribbon awarded to personnel who hold the official certification of **esperto inventario forestale** recognized by the Administration of the **Corpo Forestale**. It is intended for certified forest inventory experts to wear on duty or ceremonial uniforms.

Definition: the nastrino is a 10 mm × 37 mm ribbon on a white field with a horizontal light-blue stripe, produced to standard dimensions and offered with mounting options for secure attachment.

Main features

Compact, regulation-sized ribbon with selectable finishing and secure rear mounting; suitable for duty uniforms, tactical display, and military surplus collections.

- **Standard size:** 10 mm high × 37 mm wide (millimetre measurements preserved).
- **Colour and design:** white field with a single horizontal light-blue stripe for clear recognition.
- **Finish options:** flat regulation format or slightly curved "Elite" variant.
- **Secure fixing:** rear ribbon mount available with clamp or screw attachments, selectable at checkout.
- **Multi-ribbon compatibility:** can be mounted on multi-slot ribbon bars to join multiple ribbons on a single metal base.
- **High-quality manufacture:** attention to detail and durable construction for regular wear on duty or ceremonial uniforms.

How to use / When it’s useful

Attach the nastrino to the uniform using the chosen rear mount (clamps or screws) or fit it into a multi-slot ribbon bar for combined display. It is worn by personnel holding the recognized qualification from the Administration of the Corpo Forestale.

Quick answer: wear it on the service or ceremonial ribbon bar as required by your uniform rules. In most cases, the flat format is used for standard issue displays while the Elite curved variant is chosen for a slightly raised appearance.

Care and notes

Basic care ensures the ribbon keeps its appearance and fastening stays secure.

- Choose the correct rear mount (clamp or screw) for your uniform or ribbon bar before ordering.
- Keep the ribbon dry and store it flat or on its ribbon bar to avoid bending or damage.
- Clean gently with a soft cloth; avoid solvents or abrasive cleaners.
- Availability is limited: place your order promptly if you need a specific variant or quantity.

FAQ

Q: Who can receive the Nastrino Esperto Inventario Forestale?

A: The ribbon is intended for personnel who have obtained the official qualification of esperto inventario forestale as recognized by the Administration of the Corpo Forestale.

Q: What are the exact dimensions of the ribbon?

A: The ribbon measures 10 mm in height and 37 mm in width. Measurements are given in millimetres to match regulation sizing.

Q: Which finishing options are available?

A: You can choose the flat regulation format or the slightly curved "Elite" variant. Select your preferred finish at the time of purchase.

Q: How is the ribbon attached to the uniform?

A: The ribbon can be fitted with a rear mount using clamps or screws; the attachment type is selectable in the product options. It can also be placed on a multi-slot ribbon bar.
