Product short description:

The "Nastrino Soccorritore Piste Sci Corpo Forestale" is a ribbon that honors the dedication and courage of ski rescue teams of the Corpo Forestale. Produced from quality materials, it is intended to be worn on uniforms as a clear, tangible sign of service in demanding mountain and snow conditions.

- **Material:** Quality materials suitable for uniform use.
- **Use:** For display on uniforms, jackets or ceremonial dress.
- **Recognition:** Symbolizes commitment and professionalism in mountain rescue.
- **Suitable for:** Active rescuers, veterans and collectors.

Product description:

Product overview

The Nastrino Soccorritore Piste Sci Corpo Forestale is a ribbon badge intended for personnel who hold the Corpo Forestale ski-rescuer qualification recognized by the Amministrazione CFS. It identifies trained ski-rescue staff and is suited for duty uniforms, ceremonial use, or display on ribbon bars.

Definition: a small official ribbon (10 mm x 37 mm) worn to show the Soccorritore Piste Sci

qualification from the Corpo Forestale.

Main features

Compact, recognisable, and made to last—this ribbon combines official design with practical mounting options for uniform or ribbon-holder use. Suitable for tactical, military surplus, duty, and police collections.

- **Official design:** 10 mm high × 37 mm wide, white field with a double horizontal green stripe 2 mm wide.
- **Durable materials:** Built to resist routine wear and outdoor conditions.
- **Two finish options:** Regular flat format or domed "Elite" variant.
- **Mounting choices:** Supplied with a ribbon-holder attachment, available with clamps or screw fittings for multi-ribbon bars.
- **Official recognition:** Intended for personnel certified by the Amministrazione CFS.
- **Limited availability:** Produced in small quantities due to demand and official use.

How to use / When it’s useful

The ribbon is worn by qualified Corpo Forestale ski-rescue personnel on their uniform ribbon bar or attached to a ribbon-holder for display. It is useful during duty, official events, training, and public-facing rescue operations to show recognized qualification.

Quick answer: Wear on the uniform ribbon bar or a compatible portanastrini when you hold the recognized Soccorritore Piste Sci qualification.
In most cases, the flat or Elite domed format can be selected to match existing ribbon bars and personal preference.

Care and notes

Simple maintenance and correct use keep the ribbon in good condition and respect its official status.

- Wipe clean with a soft cloth; avoid harsh chemicals that could damage the finish.
- Choose flat or Elite domed format to match your ribbon bar depth and aesthetic.
- Available with clamp or screw fittings—confirm fit for your portanastrini before purchase.
- Only personnel with the appropriate Corpo Forestale qualification should wear this ribbon.

FAQ

Q: Who is allowed to wear the Nastrino Soccorritore Piste Sci Corpo Forestale?

A: Only personnel who hold the Soccorritore Piste Sci qualification recognized by the Amministrazione CFS should wear this ribbon. It represents an official qualification of the Corpo

Forestale.

Q: What are the ribbon dimensions and design?

A: The ribbon measures 10 mm high and 37 mm wide on a white field, with a double horizontal green stripe of 2 mm. This is the standard official appearance.

Q: Which formats and mounting options are available?

A: The ribbon is offered in a regular flat finish or a domed "Elite" variant. Mounting options include a ribbon-holder with clamp fittings or screw attachments for multi-ribbon holders.

Q: Is the ribbon weather resistant?

A: Yes, it is made from durable materials designed to withstand routine outdoor conditions and regular use. Proper care will extend its service life.

Q: How can I purchase the ribbon?

A: The ribbon is available for online purchase while stocks last. Due to limited quantities and official usage, availability can be restricted.

Q: Can civilians buy or wear this ribbon?

A: The ribbon may be sold, but wearing it is reserved for qualified Corpo Forestale Soccorritore Piste Sci personnel. Follow local rules and organisational regulations regarding display and wear.

Tip: Choose the variant (flat or Elite) and the mounting type (clamp or screw) that match your ribbon bar before adding to cart; check related tactical, military surplus, and duty items to complete your set.
