- **Use:** For wear on Carabinieri service ribbon bars, uniform display, or collection.
- **Training:** The instructor role combines theory and practical training in exercise, nutrition and leadership to support physical and mental well?being.
- **Format:** Ribbon (nastrino) supplied as a single insignia for display.

Product description:

Product overview

The nastrino Istruttore Educazione Fisica Carabineri is a service ribbon awarded to Arma personnel who hold the physical education instructor qualification, as recognized by the Comando Generale Carabinieri. It is intended for service use, uniform display, or for collectors of military surplus and police duty insignia.

Definition: a small official ribbon that identifies qualified physical education instructors within the Arma. The ribbon is compact, durable, and available in standard and Elite formats for mounting on ribbon bars (portanastrini).

Main features

Clear, official design and practical mounting options make this nastrino suitable for authorized uniform wear and orderly display.

- **Official recognition:** Awarded to personnel with the instructor qualification recognized by the Comando Generale Carabinieri.
- **Size:** 10 mm high × 37 mm wide.
- **Design:** Light blue background with two vertical green stripes (2 mm) and a green border.
- **Materials:** Made from durable materials to preserve appearance under regular use.
- **Variants:** Available in flat regular format and the bombata Elite version.
- **Mounting options:** Can be supplied with a ribbon holder using clamps or screws (selectable from the drop-down menu).

How to use / When it’s useful

Use the nastrino on an authorized ribbon bar or portanastrini according to your unit’s dress regulations. It is suitable for everyday duty uniforms, parade dress, or display in a collector’s cabinet.

Quick answer: attach the ribbon to an approved portanastrini using the chosen clamp or screw fitting. In most cases, choose the flat format for routine wear and the Elite bombata for a more prominent display or presentation purpose.

Care and notes

Basic care keeps the ribbon looking professional and extends its service life.

- Avoid harsh chemicals; clean gently with a soft, damp cloth if needed.
- Check mountings (clamps or screws) periodically to ensure secure attachment.
- Store in a dry, cool place away from direct sunlight to prevent fading.
- Availability is limited — consider ordering the required mounting option at purchase.

FAQ

Q: Who can receive the nastrino Istruttore Educazione Fisica Carabineri?

A: It is conferred to Arma personnel who hold the physical education instructor qualification recognized by the Comando Generale Carabinieri. Issuance follows official qualification records.

Q: What are the exact dimensions of the ribbon?

A: The nastrino measures 10 mm in height and 37 mm in width, with two vertical green stripes of 2 mm and a green frame on a light blue background.

Q: Which formats are available?

A: The ribbon is available in a standard flat format and an Elite bombata (domed) variant to suit different presentation preferences.

Q: How do I choose mounting and packaging options?

A: Select the attachment type (clamps or screws) from the product drop-down menu. For mounting on two-or-more-place holders, choose the appropriate portanastrini option when ordering.

Q: Is the nastrino durable for regular wear?

A: Yes. It is produced with materials designed for resistance and lasting appearance under normal use, though regular checks and proper care are recommended.

Q: What if the ribbon is out of stock?

A: Demand can be high and stock may be limited. If unavailable, check product options regularly or select an alternative mounting while waiting for restock.

Tip: Choose the format and mounting option that match your uniform regulations (flat for standard wear, Elite for display). Check available variants before adding to cart and browse related ribbon holders and accessories to complete your set.
