- **Course:** Practical instructor training focused on disarmament techniques inspired by the Carabinieri.
- **Focus:** Safe, responsible methods to disarm an aggressor and protect yourself in common threat scenarios.
- **Level:** Open to all experience levels - suitable for beginners and professionals.
- **Format:** Hands-on drills and scenario practice; check the course listing for schedules and location.

Product description:

Product overview

The **Nastrino Istruttore Difesa Personale Tecnica Disarmo Carabinieri** is the service ribbon awarded to members of the **Arma dei Carabinieri** who hold the qualification of Istruttore Difesa

Personale e Tecnica del Disarmo recognized by the Comando Generale. Definition: a small service ribbon that identifies qualified instructors in personal defense and disarming techniques.

This ribbon is a formal distinction intended for qualified Carabinieri and is valued for service display, duty uniforms, and official recognition. Quantities are limited and demand is typically high.

Main features

Clear, accurate details about the ribbon and available formats.

- **Size:** 10 mm height × 37 mm width.
- **Design:** green background with two vertical green pales of 2 mm and a blue frame.
- **Materials:** made from durable, quality materials for long-term use.
- **Formats:** available in the regulation flat format or the slightly domed "Elite" variant.
- **Attachments:** supplied with a ribbon holder (portanastrino) with either clamp or screw fittings selectable from the product options.
- **Multi-ribbon option:** can be mounted on multi-place metal bases suitable for several ribbons side by side.

How to use / When it’s useful

Quick answer: worn by qualified Carabinieri as a visible service recognition on the uniform or on a display rack. Use the attachment style (clamp or screws) that matches your uniform or collector display.

In most cases, this ribbon is used for duty or dress uniforms and for official presentation. It is also appropriate for formal displays, unit collections, and military surplus or police equipment stock when handled according to service rules.

Care and notes

Keep the ribbon and its holder in good condition with simple care and proper handling.

- Store dry and away from direct sunlight to preserve colour and finish.
- Clean gently with a soft, dry cloth; avoid chemicals or abrasive cleaners.
- Check attachment screws or clamps periodically to ensure secure fitting.
- Availability note: limited stock—order promptly if required.

FAQ

Q: Who can receive the Nastrino Istruttore Difesa Personale Tecnica Disarmo Carabinieri?

A: The ribbon is conferred to personnel of the **Arma dei Carabinieri** who have earned the

qualification of Istruttore Difesa Personale e Tecnica del Disarmo as recognized by the Comando Generale.

Q: What are the ribbon dimensions?

A: The ribbon measures 10 mm in height and 37 mm in width, on a green field with two vertical green pales of 2 mm and a blue frame.

Q: Which packaging and attachment options are available?

A: You can choose the regulation flat format or the slightly domed Elite variant, and select a ribbon holder (portanastrino) with clamp or screw fittings from the product options.

Q: Can the ribbon be mounted with other ribbons?

A: Yes. The ribbon can be fitted to multi-place metal bases designed to hold two or more ribbons side by side; contact customer service or check available multi-ribbon holders for options.

Q: How can I make sure I get one?

A: Due to limited availability and steady demand, add the desired variant to your cart as soon as possible to reserve stock.

Q: Is this an official recognition and can it be worn freely?

A: The ribbon represents the official recognition for qualified instructors. Check your service regulations or unit policy before wearing the ribbon on uniform or public display.

Tip: Choose the attachment style (clamp or screws) and format (flat or Elite) that match your uniform and display needs, and browse related ribbon holders and military surplus duty items to complete your set.
