Product overview

The Nastrino Operatore Mine Risk Education Corpo Militare Croce Rossa is a service ribbon awarded to CMCRI personnel who completed the Operatore Mine Risk Education course

organized by the Corpo Militare Croce Rossa. It is intended for uniform wear or display by service members and collectors of military and police insignia.

Definition: a 10 mm x 37 mm service ribbon with a yellow field, a 2 mm maroon horizontal stripe and a gold numeral 2 at the center, denoting completion of the specified training.

Main features

Clear, service-ready ribbon produced to match the course recognition and offered in multiple finishing and attachment options for mounting or collection.

- **Exact size:** 10 mm (height) × 37 mm (width).
- **Design:** yellow background with a 2 mm maroon horizontal stripe and a gold number 2 centered.
- **Finish options:** regular flat finish or slightly domed "Elite" finish.
- **Attachment choices:** rear clamps or screws to suit different uniform or display fittings.
- **Ribbon bar compatibility:** can be mounted on two-place or multi-place metal ribbon bars.
- **Limited availability:** produced in controlled quantities with attention to detail.

How to use / When it’s useful

Quick answer: Wear it on the uniform ribbon bar or keep it as part of a training recognition collection. The ribbon fits standard ribbon bars and is intended to represent completion of the CMCRI Operatore Mine Risk Education course.

In most cases, choose the attachment type (clamps or screws) based on how you will mount the ribbon—directly on a uniform, or on a metal ribbon bar for display. Select the flat or Elite finish depending on your preferred appearance.

Care and notes

Store and handle the ribbon like other service insignia to preserve appearance; select the correct attachment and finish when ordering to ensure proper fit and display.

- Select clamps or screws at checkout to match your mounting method.
- Compatible with two-place or multi-place metal ribbon bars for combined display.
- Availability may be limited—orders are filled while stock lasts.
- Keep the ribbon clean and avoid abrasive contact to maintain the gold detail.

FAQ

Q: Who is eligible to receive this ribbon?

A: The ribbon is issued to CMCRI personnel who have successfully completed the Operatore

Mine Risk Education course organized by the Corpo Militare Croce Rossa.

Q: What are the ribbon dimensions?

A: The ribbon measures 10 mm in height and 37 mm in width, matching standard service ribbon proportions.

Q: What finish and attachment options are available?

A: You can choose a regular flat finish or a slightly domed "Elite" finish, with rear clamps or screws as attachment options.

Q: Can this ribbon be mounted with other ribbons?

A: Yes. It can be fitted to two-place or multi-place metal ribbon bars to join other ribbons on a single base.

Q: How do I purchase the correct variant?

A: Select the desired finish and rear attachment type from the product options before adding the item to your cart. Confirm compatibility with your ribbon bar or uniform fittings.

Q: Is the ribbon always in stock?

A: No. Production is limited and demand can be high, so availability may vary; place your order promptly if you need a specific variant.

Tip: Choose the attachment type and finish that match your intended use (uniform wear or display) and check multi-place ribbon bar options to combine this ribbon with others for a neat presentation of service, tactical, or police insignia.
