Product short description:

The Nastrino Operatore Specialista Mine Risk Education is an identification ribbon for professionals involved in mine-risk education. It is intended for humanitarian organizations, community trainers and government teams working in areas affected by landmines.

- **Use:** Identifies Mine Risk Education specialists and supports safety and awareness activities in mine-affected areas.
- **Purpose:** Supports training and advisory work to help prevent accidents and increase awareness of landmine hazards.
- **Audience:** For NGOs, community groups, humanitarian teams and government agencies focused on mine-risk mitigation.
- **Note:** Intended for education and identification; rely on certified demining personnel for clearance operations.
