Product short description:

The Nastrino Operatore OPSA is a distinctive ribbon for aquatic rescue operators and maritime first responders, designed to identify commitment and professionalism in water rescue roles.

- **Material:** Made from high-quality materials for reliable wear and a neat appearance.
- **Durability:** Built to withstand demanding marine conditions and repeated use.
- **Use:** Intended as an identification ribbon for trained rescue personnel and volunteers.
- **Design:** Distinctive style and vivid colors for quick recognition.
- **Ideal for:** Lifeguards, rescue teams and those involved in maritime safety.

Product description:

Product overview

The Nastrino Operatore OPSA is a service ribbon awarded to personnel of the Corpo Militare Croce Rossa (CMCRI) who have completed the Operatore Cinofilo course. It is intended for military, tactical, and duty use as a visible sign of training and qualification.

Definition: the Nastrino Operatore OPSA is a small service ribbon (10 mm x 37 mm) worn on uniform to indicate completion of the Operatore Cinofilo certification.

Main features

Clear, uniform-ready ribbon available in multiple mounting and finishing options to match duty or dress requirements.

- **Size:** 10 mm high × 37 mm wide.
- **Design:** yellow background with a 2 mm horizontal red stripe.
- **Finish options:** flat standard or slightly domed "Elite" variant.
- **Attachment choices:** rear-mounted with clamps or screws (selectable from product options).
- **Multi-place mounting:** can be fitted on two-or-more place metal ribbon bars for a tidy, professional look.
- **Durability:** made using durable materials suitable for regular uniform use.

How to use / When it’s useful

Quick answer: wear the Nastrino Operatore OPSA on your uniform when representing CMCRI qualifications during duty, ceremonies, or public-facing operations. It is placed with other service ribbons on a metal ribbon bar if required.

In most cases, select the attachment type (clamp or screw) and finish (flat or Elite) that match your uniform or ribbon bar; choose multi-place metal bases if you will display several ribbons together. This ribbon suits military surplus collectors, tactical and police duty uniforms, and official dress.

Care and notes

Simple care keeps the ribbon presentable and ensures the chosen attachment stays secure.

- Wipe with a soft, dry cloth; avoid solvents or abrasive cleaners.
- Choose the correct rear attachment (clamps or screws) when ordering to match your mounting hardware.
- Confirm multi-place metal base compatibility if fitting multiple ribbons together.
- Available in limited quantities—check stock and select options carefully before purchase.

FAQ

Q: Who is eligible to wear the Nastrino Operatore OPSA?

A: It is awarded to CMCRI personnel who have successfully completed the Operatore Cinofilo course.

Q: What are the exact dimensions of the ribbon?

A: The ribbon measures 10 mm in height and 37 mm in width, with a 2 mm horizontal red stripe on a yellow background.

Q: What finishing and attachment options are available?

A: Available as flat standard or slightly domed "Elite"; rear attachments can be clamps or screws—selectable from the product options menu.

Q: Can I mount this ribbon on a multi-place metal holder?

A: Yes. The ribbon can be fitted on two-or-more place metal ribbon bars designed to hold multiple ribbons for a uniform look.

Q: Are these ribbons durable enough for field or duty use?

A: The ribbons are made from durable materials meant for regular uniform wear, suitable for tactical, police, and military duty contexts.

Q: Is the product always in stock?

A: No. The Nastrino Operatore OPSA is produced in limited quantities and demand is typically high—check availability when ordering.

Tip: When ordering, double-check the finish and attachment option that match your uniform or ribbon bar, and consider browsing related ribbon bars and mounting bases to complete a tidy, professional display.
