How to use / When it’s useful

Wear the ribbon on the service or dress uniform where regulations permit, mounted on the appropriate ribbon bar or backing. Use the flat regulation finish for standard uniform wear and consider the Elite variant for presentations or display boards.

Quick answer: wear it only if you are entitled to the qualification and follow your unit's uniform rules.
In most cases, choose the attachment type (clamps or screws) based on how you mount ribbons to your uniform or display backing.

- Clean gently with a soft, dry cloth; avoid solvents or abrasive cleaners.
- Select the correct finish and attachment option when ordering to match uniform rules and mounting hardware.
- Only wear the ribbon if you are authorized to do so; follow official uniform regulations.
