Product short description:

The Nastrino Istruttore OPSA is a distinctive ribbon insignia for certified water-rescue instructors, designed to be worn on uniforms or technical clothing as a visible sign of training and qualification.

- **Material:** Made from high-quality materials for a neat, professional finish.
- **Use:** Intended for certified water-rescue instructors to display on uniform or operational gear.
- **Durability:** Built to withstand demanding field conditions for reliable long-term use.
- **Design:** Elegant, professional appearance suitable for formal and technical wear.
- **Recognition:** A tangible mark of skills and commitment to water-rescue safety.

Product description:

Product overview

The Nastrino Istruttore OPSA from the Corpo Militare Croce Rossa is a service ribbon issued to personnel who have completed the OPSA Instructor course. It is intended for military and uniformed personnel who wish to display their instructor qualification.

Definition: a small ribbon badge (10 mm x 37 mm) used as an official recognition on a ribbon bar

or single/multiple ribbon holder. Suitable for tactical, military surplus, duty, and police use where official insignia are required.

Main features

Compact, regulation-sized ribbon with mounting options to fit standard uniform displays.

- **Size:** 10 mm high x 37 mm wide on a red field, with a 2 mm yellow frame.
- **Packaging options:** Regulatory flat format or slightly domed "Elite" variant.
- **Single-holder accessories:** Supplied with a one-place ribbon holder, selectable with clamp or screw attachment.
- **Multi-holder option:** Can be fitted to multi-place metal ribbon bases for combined display of several ribbons.
- **Official use:** Issued to personnel who have successfully completed the Istruttore OPSA course.

How to use / When it’s useful

Quick answer: Wear the Nastrino Istruttore OPSA on your uniform ribbon bar or mount it in a single ribbon holder for display of your instructor qualification. It pairs well with other service ribbons on a multi-place holder.

In most cases, choose the flat regulatory format for everyday uniform wear and the Elite domed option for presentation or display purposes. Select clamp or screw attachment in the dropdown to match your ribbon holder type and mounting preference.

Care and notes

Basic care and ordering notes to keep the ribbon in good condition and ensure correct use.

- Store the ribbon in a dry place to avoid discoloration of the fabric and frame.
- Select the correct attachment type (clamp or screw) when ordering to match your uniform hardware.
- Limited availability: stock can be low due to demand—order promptly if needed.
- Official award: the ribbon is intended for personnel who have completed the OPSA Instructor course; do not misrepresent use.

FAQ

Q: Who can receive the Nastrino Istruttore OPSA?

A: The ribbon is issued to members of the Corpo Militare Croce Rossa who have passed the Istruttore OPSA course. It is an official recognition tied to that qualification.

Q: What are the ribbon dimensions?

A: The ribbon measures 10 mm in height and 37 mm in width on a red field, with a 2 mm yellow border. These dimensions follow the stated regulation size.

Q: What packaging formats are available?

A: You can choose the flat regulatory format or the slightly domed "Elite" variant. The flat format is common for everyday wear, while Elite is often chosen for display.

Q: Which accessories are included with the ribbon?

A: The ribbon is supplied with a one-place ribbon holder. When ordering, select either the clamp (morsetti) or screw attachment to match your mounting preference.

Q: Can I mount the ribbon on a multi-place holder?

A: Yes. The Nastrino Istruttore OPSA can be mounted on multi-place metal ribbon bases designed to hold several ribbons together. Choose the appropriate multi-holder option when assembling.

Q: Is the ribbon always in stock?

A: Availability is limited and demand is typically high. If you need the ribbon for a ceremony or presentation, order early to avoid stock shortages.

Tip: When ordering, confirm the packaging format (flat or Elite) and the attachment type (clamp or screw) to match your uniform or display needs, and consider browsing our related ribbon holders and multi-place bases to complete your setup.
