Product short description:

The Nastrino Formatore OPSA is the official trainer ribbon awarded to those who complete the OPSA aquatic rescue training. Intended for instructors and rescue professionals, it provides a tasteful, distinctive emblem to wear on uniforms and work clothing as a visible sign of training and commitment.

- **Material:** Made from high-quality materials for durable, long-lasting appearance.
- **Use:** Official recognition for completion of the OPSA training course.
- **Display:** Designed to be worn proudly on uniforms and workwear.
- **Ideal for:** Trainers, instructors and operational rescue personnel.

Product description:

Product overview

The nastrino Formatore OPSA is the ribbon awarded by the Corpo Militare Croce Rossa to personnel of the CMCRI who have completed the Formatore OPSA course. It is intended for qualified members as an official mark of training and recognition.

Definition: a compact ribbon bar (nastrino) worn to indicate completion of the Formatore OPSA training. Suitable for uniform display, replacement, or personal record of service. Keywords:

tactical, military surplus, duty recognition.

Main features

Clear, durable construction with selectable mounting and finish options.

- **Distinctive design:** 10 mm high × 37 mm wide on a red field, bordered by a 2 mm yellow frame and centered with a gold letter "S".
- **Finish options:** Available in regular flat format or a slightly curved "Elite" variant.
- **Attachment choices:** Supplied with a ribbon holder using either clamp or screw fittings, selectable via the product dropdown.
- **Multi-ribbon compatibility:** Can be mounted on two-or-more place ribbon holders to form a combined metal base.
- **Quality materials:** Made from durable materials designed to keep a neat appearance over time.
- **Official recognition:** A visible sign of training and status within the Corpo Militare Croce Rossa.

How to use / When it’s useful

Quick answer: Wear the nastrino on the uniform as the authorised mark of completing the Formatore OPSA course. It is used for everyday uniform wear or formal dress where ribbon bars are required.

In most cases, choose the flat or Elite finish according to your uniform regulations and select the clamp or screw attachment in the dropdown to match your ribbon holder. It is also useful for replacements, displays, or assembling multi-ribbon sets for tactical or duty presentation.

Care and notes

Basic care and ordering notes to ensure the ribbon stays in good condition and meets your needs.

- Handle gently to avoid scratching the gold letter and frame.
- Store dry and away from strong solvents or abrasive materials.
- Confirm dimensions (10 mm × 37 mm) and finish before ordering to match uniform regulations.
- Availability is limited; orders may be subject to stock levels.

FAQ

Q: Who can receive the nastrino Formatore OPSA?

A: The ribbon is awarded to personnel of the CMCRI who have completed the Formatore OPSA

course of the Corpo Militare Croce Rossa.

Q: What are the nastrino dimensions?

A: The ribbon measures 10 mm in height and 37 mm in width, on a red field with a 2 mm yellow border and a gold "S" at the center.

Q: What packaging and finish options are available?

A: You can choose the regular flat format or the slightly curved "Elite" version. Attachment options include clamp or screw fittings, selectable from the product dropdown.

Q: Can I buy multiple units or mount this on a multi-place holder?

A: Yes. Multiple units can be fitted to multi-place ribbon holders to form a combined metal base; select the appropriate ribbon-holder products when ordering.

Q: What materials are used for the nastrino?

A: The nastrino is made from durable, high-quality materials intended to preserve appearance and resist normal wear over time.

Q: Is this ribbon intended for official uniform use?

A: This nastrino corresponds to the Formatore OPSA ribbon awarded to CMCRI personnel. Buyers should follow their organization’s rules about wearing official insignia and ensure proper authorization.

Tip: Choose the correct finish and attachment in the dropdown to match your uniform or ribbon holder, and check stock levels before ordering. Browse related ribbon-holder options to assemble multi-place mounts if needed.
