Product short description:

The Nastrino Vittoria Interalleata is a commemorative ribbon honoring those who contributed to the Allied victory in World War I. Ideal for collectors, museums, and military history enthusiasts, it adds a respectful historic touch to uniforms or displays.

- **Material:** Made from quality fabrics with durable construction.
- **Design:** Vivid colors symbolizing unity and cooperation among the Allied nations.
- **Use:** Suitable for collectors, historical displays, reenactments, or uniform mounting.
- **Note:** A commemorative piece that recognizes courage and dedication during the First World War.

Product description:

Product overview

The Nastrino Vittoria Interalleata is a service ribbon for collectors, reenactors, uniform restorers, and sellers of military surplus or tactical gear. It represents the Interallied Victory ribbon originally granted to personnel who served at least four months in areas under army jurisdiction and in direct support of operational forces.

Definition: a 37 mm Interallied Victory service ribbon, produced in the traditional rainbow-with-red-

and-white-edge pattern used by allied nations. This item is suited for display on ribbon bars, uniforms, and historical collections.

Main features

Compact and historically styled, the ribbon is offered in the standard 37 mm size with multiple mounting and presentation options to fit duty, police, and collector needs.

- **Authentic design:** twin-rainbow pattern with red center and white edge fillets, matching allied nation style.
- **Standard size:** available in the 37 mm format.
- **Presentation options:** regular flat finish or slightly domed "Elite" finish.
- **Mounting choices:** supplied for portanastrino with clamp or with screws, selectable at purchase.
- **Multi-place compatibility:** can be fitted on ribbon bars with two or more positions to combine multiple ribbons on one metal base.
- **Loose ribbon option:** available by the metre with a minimum cut of 50 cm for tailoring or replacements.

How to use / When it’s useful

Use the ribbon on uniform ribbon bars, display cases, or restoration projects. It fits standard 37 mm ribbon mounts and can be combined with other service ribbons for a complete presentation on a metal base.

Quick answer: choose clamp or screw mounting at checkout to match your ribbon bar or uniform. In most cases, the flat finish suits standard displays while the Elite (slightly domed) finish offers a refined look for presentation or museum use.

Care and notes

Keep the ribbon clean and dry and select the mounting style that matches your ribbon bar hardware. Note limited stock and minimum length for loose ribbon purchases.

- Store flat or on a proper ribbon bar to avoid creasing.
- Clean gently with a soft, dry cloth; avoid solvents.
- Minimum purchase for loose ribbon: 50 cm.
- Choose clamp or screw mounting to match existing ribbon bars before ordering.
- Limited availability: consider adding to cart to secure desired variant.

FAQ

Q: What size is the ribbon?

A: The Nastrino Vittoria Interalleata is produced in the standard 37 mm size, suitable for typical ribbon bars and mounts.

Q: Can I choose a specific mounting for the ribbon?

A: Yes. You can select a portanastrino with a clamp attachment or with screws when ordering to match your ribbon bar hardware.

Q: Is it possible to buy the ribbon as a loose roll?

A: Yes. Loose ribbon is available with a minimum purchase of 50 cm, ideal for tailoring, repairs, or custom projects.

Q: What presentation finishes are available?

A: Two finishes are offered: the regular flat presentation and a slightly domed "Elite" finish for a more polished appearance.

Q: Can multiple ribbons be mounted together?

A: Yes. The ribbon can be fitted on multi-place ribbon bars (two or more positions) so you can combine several service ribbons on a single metal base.

Q: Is the ribbon always in stock?

A: No. This ribbon is produced in limited quantities due to its historical nature and detailed construction, so availability can be restricted.

Tip: When ordering, confirm the mounting type (clamp or screws) and finish (flat or Elite) to match your ribbon bars. Browse related service ribbons and ribbon bars to complete your display or collection.
