Product overview

The Nastrino Seconda Armata is a historic Italian military ribbon for collectors, reenactors, and military surplus buyers. It represents service with the Seconda Armata of the Italian Army during the First World War.

Definition: the Nastrino Seconda Armata is a 37 mm service ribbon in red with an orange central

stripe and two blue threads at the ends, produced in durable material for wear or display.

Main features

Precisely made to preserve the original look and suitable for mounting on ribbon bars or for display in collections.

- **Authentic design:** Red ribbon with an orange central stripe and two blue threads at the ends.
- **Size:** Standard 37 mm width only, ensuring uniform appearance.
- **Formats:** Regular flat finish or slightly domed Elite variant.
- **Accessories:** Can be fitted on a portanastrino with clamp or with screws (selectable).
- **Durability:** Made from quality materials to retain shape and color over time.

How to use / When it’s useful

Wear the ribbon on a single-slot or multi-slot portanastrino for display on uniforms, jackets, or collector boards. It is suitable for historical displays, military surplus sellers, or duty/tactical gear collections.

Quick answer: the ribbon marks service in the Seconda Armata during the First World War and is intended mainly for display or uniform mounting. In most cases, buyers choose the 37 mm size and select a clamp or screw mounting depending on how they plan to attach it.

Care and notes

Simple care will keep the ribbon in good condition; store it flat and avoid prolonged exposure to sunlight or moisture.

- Available only in 37 mm width—no other sizes offered.
- Choose between flat or Elite domed finish at purchase.
- Select portanastrino mounting (clamp or screws) from the options when ordering.
- Limited stock: consider ordering soon if you need multiple pieces.

FAQ

Q: What size is the Nastrino Seconda Armata?

A: The ribbon is available only in the standard 37 mm width. This ensures consistency for mounting on ribbon bars.

Q: Which finish options are offered?

A: You can choose the regular flat finish or the slightly domed Elite variant. Select your

preference when ordering.

Q: What mounting accessories are available?

A: The ribbon can be fitted on a portanastrino with either a clamp attachment or with screws. Choose the mounting type from the product options.

Q: Can I order multiple ribbons for a multi-slot mount?

A: Yes. For mounting on two- or multi-slot portanastrini, order the required number of ribbons and select the appropriate portanastrino separately.

Q: Is the ribbon durable enough for regular use?

A: Yes. It is made with quality materials designed to maintain color and shape for display or occasional wear.

Q: What does the Nastrino Seconda Armata represent?

A: It denotes service with the Seconda Armata of the Italian Army during the First World War and is used as a historic service ribbon for display or uniform mounting.

Tip: Select the 37 mm size and your preferred finish (flat or Elite) and choose clamp or screw mounting as needed; check related military surplus and ribbon bar items to complete your display.
