- **Use:** Ideal for urban adventures, commuting and outdoor activities in varied weather.
- **Style:** Available in several color options to suit different wardrobes while maintaining a timeless look.

Product description:

Product overview

The Giaccone M65 Field Jacket is a faithful reproduction of the US Army M-65 field jacket in olive green, designed for people who want authentic military-style outerwear for tactical, outdoor, or everyday use. Definition: a water-resistant, unlined 100% cotton field jacket with a stowable hood

and multiple utility pockets.

Built for durability and practical wear, this jacket suits military surplus enthusiasts, tactical users, and anyone needing a reliable field jacket for variable weather. It is made to order with a 15-day supply time and is available only in olive green.

Main features

Classic construction and practical details give the M65 Field Jacket its utility and authentic look.

- **Historic design:** faithful reproduction of the US Army M-65 style for an authentic appearance.
- **Durable material:** 100% water-resistant cotton for weather protection and breathability.
- **Stowable hood:** hood folds into the collar with a zip closure for clean lines when not in use.
- **Ample storage:** four large front flap pockets for tools, gloves, or everyday items.
- **Adjustable fit:** drawcords at the waist and hem plus epaulettes for a secure fit and added functionality.
- **Secure closure:** front zipper with snap-button storm flap to block wind and rain.
- **Unlined versatility:** no internal insulation, so it layers easily across seasons.

How to use / When it’s useful

Quick answer: Wear the M65 Field Jacket as an outer layer for tactical training, outdoor activities, or everyday street wear; add warm layers underneath in cold weather. The jacket’s pockets and stowable hood make it practical for field, duty, and travel use.

In most cases, pair it with base and mid-layers for colder conditions or wear alone during milder weather. Its military surplus styling also makes it a good choice for collectors and anyone seeking a rugged, duty-ready jacket.

Care and notes

Follow the garment care label to preserve the water-resistant cotton and construction. Note the jacket is unlined and may require layering in low temperatures.

- Follow washing instructions on the label; machine wash only if the label permits.
- Not insulated—use additional layers for winter wear.
- Made to order: allow 15 days for supply.
- Color: olive green only, matching the original US Army design.

FAQ

Q: What sizes are available for the Giaccone M65 Field Jacket?

A: Sizes range from S to XXL. Please consult the size chart to choose the best fit for your measurements.

Q: Is the jacket suitable for winter use?

A: The jacket is water-resistant but unlined. It can be used in winter with appropriate base and mid-layers underneath.

Q: How do I order the Giaccone M65 Field Jacket?

A: You can order directly from the website. The jacket is made to order and requires a 15-day supply time.

Q: Can I machine wash this jacket?

A: Follow the care label instructions provided with the garment to maintain fabric quality. The label gives the recommended washing method.

Q: Are other colors available besides olive green?

A: Currently this model is offered only in olive green to preserve the original US Army appearance.

Q: Is this jacket intended for tactical or duty use?

A: Yes—the design and features suit tactical, duty, and outdoor use, as well as casual military-style wear.

Tip: Choose your size using the provided measurements and consider layering needs when selecting the jacket; browse related tactical and military surplus items to complete your outfit.
