Product overview

The Giubbino Bomber MA-1 Nero is a black MA-1 style bomber jacket (model MA-Q) made for anyone who wants a mix of practical features, everyday comfort and a modern look — suitable for casual wear, tactical use, military surplus style, or duty and police applications. It pairs a durable

outer shell with a high-visibility lining for added safety.

Definition: a classic nylon bomber jacket with an orange high-visibility polyester lining and a shoulder pocket with zip and pen holder.

Main features

Built for daily use and light outdoor work, this jacket balances function and style with details that suit tactical, military surplus and duty needs.

- **Outer fabric:** 100% nylon for durability and good water resistance.
- **High-visibility lining:** 100% orange polyester inner lining for improved visibility in low light.
- **Shoulder pocket:** Left omeral pocket with zip closure and integrated pen holder for small tools and pens.
- **Rib-knit trims:** Elasticated rib-knit collar, cuffs and waistband for a secure, comfortable fit and heat retention.
- **Front pockets:** Front pockets with metal snap (automatic) closures for safe storage of essentials.

How to use / When it’s useful

Quick answer: ideal as a versatile outer layer for transitional seasons, outdoor tasks, commuting and low?visibility situations where the orange lining helps. Use it as a lightweight duty jacket or for casual tactical-style outfits.

In most cases, the jacket works well on its own in mild to cool weather; for heavy rain or extreme cold, combine it with a waterproof shell or thermal base layers for full protection.

Care and notes

Follow simple care steps to keep the jacket performing and looking its best; note the limitations below.

- Wash by hand or machine on a delicate cycle with a mild detergent; close zips and fasten snaps before washing.
- Air dry; avoid high-heat tumble drying to protect fabric and lining.
- Water-resistant but not fully waterproof — not recommended as a sole rain jacket in heavy downpours.
- For very low temperatures, add thermal layers as the jacket is not rated for extreme cold.

FAQ

Q: What sizes are available for the Giubbino Bomber MA-1 Nero?

A: The jacket is offered in a range of standard sizes. Check the store size guide to pick the best fit for your measurements.

Q: Is the jacket waterproof?

A: No. The nylon shell offers good water resistance for light rain, but it is not fully waterproof for heavy or prolonged downpours.

Q: How should I wash the Bomber MA-1 Nero?

A: Hand wash or use a gentle machine cycle with a mild detergent. Close all zips and snaps before washing and let the jacket air dry.

Q: Is this jacket warm enough for winter?

A: It provides basic protection against cold and wind. For very low temperatures, wear it over thermal layers or under a heavier coat.

Q: Can I return the jacket if it does not fit?

A: Yes. Returns are accepted within 30 days if the jacket is in original condition with tags intact; check the store return policy for full details.

Q: What is the shoulder pocket used for?

A: The left omeral shoulder pocket has a zip and pen holder, useful for small items like pens, tools or slips you need quick access to.

Tip: Choose the correct size using the size guide and consider layering options for colder weather. Browse related bomber and tactical jackets to compare fits and features before adding to your cart.
