Product overview

The Tuta Operativa Corpo Forestale is a field coverall designed for Corpo Forestale personnel and other professionals who work in natural environments. It combines a utilitarian design with breathable materials for day-to-day duty, patrols and outdoor work.

Definition: a 100% cotton operational suit in grey-green, made for comfort, durability and practical use in the field. This product is offered by Tutto Militare and fits the Corpo Forestale style and requirements.

Main features

Built for practical use and ease of movement, the suit focuses on durability and functional storage for field tasks.

- **Material:** 100% cotton for breathability and comfort.
- **Official color:** grey-green, matching Corpo Forestale style.
- **Jacket details:** epaulette strips for tubular ranks and four front pockets with snap closures.
- **Pant details:** four pockets, quilted and reinforced knees for added wear resistance.
- **Fit adjustments:** elastic martingale at the waist and elastic waistband band for a tailored fit.
- **Quick don/doff:** zipper at the bottom of the pant legs for easier dressing.

How to use / When it’s useful

Use this suit for forestry patrols, field inspections, training and general outdoor duty where a breathable, practical uniform is needed. Quick answer: ideal for professionals who require a functional, cotton coverall with reinforced stress points.

In most cases, wear it over base layers and adjust the elastic waist and martingale for comfort during long shifts. It also works well for light tactical or duty situations where mobility and pocket

capacity are important.
