Product overview

The Pantaloni Tiger Stripes US are military-style cargo pants designed for outdoor use, casual wear, and tactical or duty applications where durability and practical storage matter. They suit hikers, field workers, paintball and airsoft players, and anyone looking for sturdy military surplus-style pants with a classic tiger stripe pattern.

Definition: Tiger Stripes US pants are 100% cotton rip-stop cargo trousers with six pockets, an adjustable waist drawstring, and ankle drawcords for fit control.

Main features

Built for durability and everyday functionality, these pants combine tough fabric with practical adjustments and storage.

- **Rip-stop 100% cotton fabric:** Tear-resistant weave for longer wear.
- **Six pockets:** Multiple pockets for tools, phone, wallet, and small gear.
- **Adjustable waist drawstring:** Easy on-the-go fit tuning without a belt.
- **Ankle drawcords:** Secure fit around boots or sneakers, adaptable to different footwear.
- **Breathable and comfortable:** Natural cotton construction suitable for many seasons.

How to use / When it’s useful

Quick answer: wear them for outdoor work, field training, casual urban wear, or any activity where rugged, functional pants are needed. The six-pocket layout and adjustable features make them practical for carrying essentials.

In most cases, pair the Tiger Stripes US with boots or tactical footwear and use the ankle drawcords to prevent snagging or to fit over high boots. These pants also work well as military surplus-style casual wear for everyday use.

Care and notes

Follow garment label instructions for best results; the cotton rip-stop fabric is durable but can shrink if washed improperly.

- Machine washable: use a gentle cycle with similar colors.
- Avoid high heat drying to reduce shrinkage; tumble dry low or hang dry.
- Do not use bleach or harsh chemicals.
- Adjust drawstrings before washing to avoid tangling.

FAQ

Q: What sizes are available for the Tiger Stripes US pants?

A: Sizes usually range from S to XXL. Check the size guide on the product page to select the correct waist and length for your build.

Q: Are these pants suitable for outdoor activities?

A: Yes. The rip-stop cotton fabric and multiple pockets make them suitable for hiking, fieldwork, and other outdoor activities where durability and storage are useful.

Q: How do I adjust the waist of these pants?

A: The pants include a retention drawstring at the waist that you can tighten or loosen for a custom fit without needing a belt.

Q: Is the fabric breathable?

A: Yes. Made from 100% cotton rip-stop, the fabric is breathable and comfortable for most seasons, though heavy activity in hot climates may still be warm.

Q: Can I wash these pants in a washing machine?

A: Yes. They are machine washable; use a gentle cycle and avoid high heat drying to limit shrinkage and wear.

Q: Are these pants always in stock?

A: Availability can be limited due to demand. If a specific size is out of stock, check back or choose a nearby size while consulting the size guide.

Tip: Choose the right size using the product size guide and consider ankle drawcord use with

your preferred footwear. Browse similar tactical and military surplus pants to compare fits and features before checkout.
