How to use / When it’s useful

Quick answer: The Lady-K 85 is for users who need a compact blank-firing pistol for collection, display, or non-lethal signaling. Operate it using standard 8 mm blank cartridges and follow the action mode (single or double) that suits your handling preference.

In most cases, this model is chosen for its compact dimensions (153 mm length, 114 mm height) and low weight (530 g), making it easy to handle, store, and transport. It also fits collections that focus on military-surplus style or tactical replica items.

Care and notes

Simple maintenance and important notes to keep the pistol in safe working order.

- Store unloaded in the supplied plastic case and keep away from unauthorized users.
- Regularly clean the barrel and moving parts after use with appropriate tools for blank-firing firearms.
- Always use only the correct 8 mm blank cartridges specified for this model.
- Follow local laws and regulations; this model is listed as free sale per Ministry of the Interior note n. 559/C 50.299--93 of 8/11/95.
