Product overview

The Pistola a Salve Derringer Silver 6 mm with wooden grips is a compact blank-firing Derringer designed for collectors, theatrical use, signaling and as a non-lethal deterrent option. It is suitable for collectors, reenactors, prop use and anyone seeking a small, easily carried blank pistol.

Definition: A blank-firing (salve) Derringer fires 6 mm blank cartridges to produce noise and a flash for signaling or training and is not intended for firing live ammunition.

Main features

Key characteristics that make this Derringer practical and collectible.

- **Chromed finish:** Polished silver appearance for a classic look.
- **Wooden grips:** Traditional wooden guanciole for improved handling and style.
- **Two over/under barrels:** Hinged, 3-inch barrels in an over/under (basculante) layout.
- **Controls:** Single trigger and a black opening lever for easy loading.
- **Compact size:** Width 12.5 cm; weight 360 g — easy to carry and handle.
- **Legal note:** Free sale as per Ministry of the Interior note n. 559/C 50.299--93 dated 8/11/95.

How to use / When it’s useful

Quick answer: Use this Derringer with the correct 6 mm blank cartridges for signaling, training, theatre props or as a non-lethal deterrent noise device. It is not designed for live rounds.

In most cases, the pistol is used by collectors, reenactors and for display in tactical gear or military surplus collections, and for duty-equipment demonstrations. Always follow safe handling and local rules when using blank-firing devices.

Care and notes

Simple care keeps the Derringer reliable and preserves its finish.

- Use only the correct 6 mm blank cartridges; do not load live ammunition.
- Keep the pistol clean and lightly oiled; inspect moving parts regularly.
- Store unloaded in a secure location away from children and untrained users.
- Follow the legal note: this model is listed as free sale under Ministry of the Interior note n. 559/C 50.299--93 (8/11/95); also check local regulations before use.

FAQ

Q: Is the Derringer Silver 6 mm legal to buy?

A: Yes. The product is indicated as free sale according to the Ministry of the Interior note n. 559/C 50.299--93 dated 8/11/95. Verify any local restrictions before purchasing or using.

Q: What type of ammunition does it use?

A: It uses 6 mm blank (salve) cartridges. Do not use live or incompatible ammunition; blanks are

designed to produce noise and muzzle flash only.

Q: What are the pistol’s dimensions and weight?

A: Width 12.5 cm and weight 360 g. The compact size makes it easy to carry and handle for display or prop use.

Q: Are the grips durable?

A: The grips are wooden (guanciole) and give a traditional look and firm hold; routine care and avoiding moisture will help preserve them.

Q: Can I use this for self-defense?

A: This is a blank-firing device intended for signaling, training or deterrence through noise. It is not a substitute for lethal self-defense tools and should be used with caution and awareness of legal limits.

Q: Can I buy this product online?

A: Yes, the product can be added to your cart and purchased online where available. Check stock levels since quantities may be limited.

Tip: Choose the correct variant and check accessory options (holsters, display stands) that suit your use—browse related tactical gear and military surplus items to complete your collection or setup.
