Product overview

The Piastrina Militare Esercito Italiano is a metal military ID plate with chain designed for service members, collectors and tactical gear users who want a durable, personalized identification accessory. Definition: a double-sided metal dog tag-style plate (4 x 4.5 cm) with cut slots and chain, suitable as an ID or personal emblem.

It suits tactical, military surplus and duty or police-style use where a compact, customizable plate is desired. The plate can be fully engraved on both sides with personal information and is offered with an on-site engraving option for finished customization.

Main features

Simple, functional design built for everyday wear, personalization and compatibility with uniforms or casual tactical gear.

- **Size:** 4 x 4.5 cm with rounded corners for comfort.
- **Material:** metal plate with included chain.
- **Break slots:** two central slotted holes allow easy separation if needed.
- **Fully customizable:** engraving possible on both sides (name, surname, birth date and municipality, service number, citizenship).
- **Durable:** made to resist daily use with a simple, low-profile look for duty or casual wear.

How to use / When it’s useful

Use the Piastrina Militare Esercito Italiano as a personal ID plate on your uniform, tactical vest, backpack or as a commemorative accessory. It fits standard chains and can be worn alone or layered with other military surplus items.

Quick answer: wear it as ID or a personalized emblem on duty, in the field or as part of civilian tactical gear. In most cases, customers order engraving at purchase to include essential identity details; the finished plate is ready to wear once engraved and delivered.

Care and notes

Basic care keeps the plate legible and looking professional; engraving is permanent so check details before ordering.

- Do not use strong abrasive cleaners; wipe with a soft, damp cloth.
- Engraving is permanent—verify spelling and data before submission.
- This plate is a personal identification accessory and not a replacement for official identity documents.
- Inspect the chain periodically for wear if used daily.

FAQ

Q: What material is the Piastrina Militare Esercito Italiano made of?

A: The plate is made of metal and supplied with a matching chain. Specific metal type is standard for military-style plates used in daily wear.

Q: Can I engrave both sides of the plate?

A: Yes. Both sides can be engraved with personal information such as name, date and place of birth, service number and citizenship.

Q: Is an engraving service available?

A: Yes. An on-site engraving option is available when ordering; follow the product personalization steps to add your text.

Q: What are the plate dimensions and comfort features?

A: The plate measures 4 x 4.5 cm and has rounded corners for comfort. Two central slots allow separation if necessary.

Q: Can I wear this plate with tactical gear or a uniform?

A: Yes. It is designed to work with uniforms, tactical vests, backpacks and civilian tactical styles commonly found in military surplus and duty gear.

Q: Is the plate suitable as an official ID?

A: No. It serves as a personal identification accessory or emblem but does not replace official identity documents or certified military identification.
