Product short description:

Diva Base Classic pepper spray is a compact personal-defense spray designed for everyday carry. It suits civilians, commuters, security staff and professionals who want a straightforward, quick-response deterrent for threatening encounters.

- **Brand:** Diva Base Classic pepper spray.
- **Use:** Intended for personal self-defense and security applications in urban and outdoor settings.
- **Operation:** Handheld spray format for direct point-and-spray deployment with minimal training required.
- **Portability:** Compact design for discreet carry in a pocket, bag or belt pouch.
- **Note:** Check local laws and regulations before purchase and carrying; follow manufacturer safety instructions.

Product description:

Product overview

The Diva Base Classic pepper spray is an oil-based personal defense spray designed for civilians who want a compact, non-lethal option for self-protection. It is suitable for everyday carry and tactical-use scenarios where safe distancing is needed.

Definition: A 10% oil-based chili pepper spray (15 ml) that delivers a temporary irritant effect to eyes and the respiratory tract for short-term incapacitation.

Main features

Clear, reliable specifications make this spray a practical choice for personal, tactical, and duty-related carry.

- **Concentration:** 10% oil-based chili pepper solution.
- **Heat level:** 800,000 Scoville units for immediate irritant effect.
- **Effective range:** Up to 2 meters for stand-off protection.
- **Volume:** 15 ml per canister, suitable for several short discharges.
- **Effect:** Temporary irritation to eyes and airways; not intended to cause permanent injury.
- **Form factor:** Compact and pocketable for discreet carry.

How to use / When it’s useful

Quick answer: Use the spray only in real self-defense situations to create an opportunity to move away and seek help. Aim toward the attacker's face from a safe distance and use short bursts rather than continuous spraying.

In most cases, this spray is useful for deterring an aggressive person and enabling escape. After deployment, move out of the contaminated area, contact authorities, and get to a safe location.

Care and notes

Store and handle the product safely to maintain effectiveness and avoid accidental exposure.

- Keep in a cool, dry place and out of reach of children; sale prohibited to persons under 16 years.
- After use, leave the contaminated area and contact the appropriate public safety authority.
- In case of accidental eye contact, rinse immediately with plenty of water; wash affected skin with soap and water.
- Use only when strictly necessary and avoid improper or illegal use.

FAQ

Q: Who can purchase the Diva Base Classic pepper spray?

A: Sale is prohibited to minors under 16 years. Check local regulations before purchase, as age

and possession rules may vary.

Q: How long does the irritant effect last?

A: Effects are temporary and typically last a few minutes, enough to escape the situation and get help. Duration can vary with exposure and individual sensitivity.

Q: Is pepper spray legal to use?

A: Pepper spray is legal for personal defense in many areas when used in genuine self-defense. Always follow local laws and use only when necessary.

Q: How should I store the spray?

A: Store in a cool, dry place away from heat sources and children. Do not expose the canister to high temperatures or direct sunlight.

Q: What should I do immediately after using the spray?

A: Move away from the contaminated area, seek a safe location, and contact public safety authorities for assistance.

Q: What happens in case of accidental exposure?

A: If eyes are affected, rinse repeatedly with clean water. Wash exposed skin with soap and water and seek medical advice if symptoms persist.

Tip: Choose the right variant or size for your daily carry needs and browse related items in our store to complete your personal defense setup in a safe, compliant way.
