Product overview

The Scudetto Ricamato Terzo Reggimento Artiglieria Montagna is an embroidered, low-visibility shoulder patch made for members of the Terzo Reggimento Artiglieria Montagna, military collectors, and tactical enthusiasts. Definition: a discreet embroidered patch designed to attach to camouflage uniforms for mountain operations and display.

Designed for practical use in mountain environments, this patch blends with camouflage patterns, is made from durable materials, and measures 6 cm x 9 cm. It suits tactical, military surplus, and duty-uniform needs while maintaining a subtle appearance.

Main features

Key attributes that make this patch suitable for field use and collection:

- **Low-visibility design:** muted colors and concealed details to integrate with camouflage.
- **Durable construction:** made from quality materials for use in outdoor and mountain conditions.
- **Official emblem design:** shows an eagle clutching a mortar with mountain peaks and the regiment number in the background.
- **Optimal size:** 6 cm x 9 cm — compact for sleeve or chest placement.
- **Easy attachment:** suitable for sewing or Velcro application.
- **Suitable uses:** field wear, uniform identification, and military collecting.

How to use / When it’s useful

Quick answer: attach the patch to your camouflage sleeve or chest by sewing or Velcro for a discreet unit identifier. In most cases, it is used by personnel during mountain operations, by veterans, or by collectors who want an accurate representation of the Terzo Reggimento Artiglieria Montagna.

The patch is useful when you need a low-profile emblem that blends with natural mountain backgrounds and when you require a durable badge for regular outdoor use. It also fits well into tactical kits or military surplus collections without drawing attention.

Care and notes

Simple care keeps the patch looking its best and ensures secure attachment:

- Hand wash gently or use a mild cycle; avoid aggressive detergents.

- Do not use high heat for drying; air dry flat to preserve shape and colors.
- Sew securely if using as a permanent attachment; verify Velcro backing is correctly fitted for removable use.
- Limited availability: stock can change due to demand from service members and collectors.

FAQ

Q: What are the exact dimensions of the patch?

A: The patch measures 6 cm x 9 cm, a compact size suitable for sleeves, chest placement, or tactical vests. This size fits most uniform panels without appearing bulky.

Q: Is the patch durable enough for mountain operations?

A: Yes, it is made from robust materials intended for outdoor use and designed to withstand the stresses common in mountain environments. Normal wear and tear may occur over long-term field use.

Q: How do I attach the patch to my uniform?

A: The patch can be sewn on for a permanent fit or attached with Velcro if a removable option is preferred. Choose sewing for long-term use and Velcro for easier removal.

Q: Does the design match the unit insignia used by the regiment?

A: The patch depicts an eagle clutching a mortar with the mountain peaks and regiment number in the background, reflecting the iconography associated with the 3° Reggimento Artiglieria Montagna. It is a representative embroidered emblem.

Q: Can I buy more than one patch?

A: Yes, multiple purchases are allowed, but availability may be limited due to demand from service members and collectors. Check current stock when ordering.

Q: Is this an official issued item from the armed forces?

A: This product is an embroidered patch representing the Terzo Reggimento Artiglieria Montagna. Availability and issuance depend on official supply channels; this listing does not imply government issuance.

Tip: Choose the correct attachment option (sew or Velcro) for your intended use, and consider browsing related tactical and military surplus patches to match your uniform or collection.
