Product short description:

Thermal Fleece Neck Collar — Black. A soft, low-profile neck warmer made from high-quality fleece for cold weather. Designed for outdoor use and everyday city wear, it keeps your neck comfortable without adding bulk and works well layered under jackets and hoods.

- **Material:** High-quality fleece — soft, insulating and comfortable against the skin.
- **Use:** Ideal for hiking, commuting, walking in town and other cold-weather activities.
- **Protection:** Helps shield the neck from wind and cold while remaining breathable.
- **Fit:** Slip-on collar design; simple to wear, easy to pair with outer layers and pack away.

Product description:

Product overview

The Scaldacollo Collare Termico Pile Nero is a black fleece thermal neck warmer designed for outdoor use and for duty professionals such as police, Carabinieri and private security services. It

is suitable for tactical, duty and everyday cold-weather needs.

Definition: a soft, insulating fleece collar that protects the neck and lower face from cold and can also be worn as a thermal hood.

Main features

Practical, reliable protection in a simple, adjustable design.

- **High-quality fleece:** soft to the touch and offering effective thermal insulation.
- **Versatile fit:** wears as a neck warmer or as a hood thanks to the adjustable drawcord.
- **One size:** taglia unica with a drawcord to adapt to most users.
- **Professional use:** worn by police, Carabinieri and security services, showing its suitability for duty wear.
- **Easy care:** machine washable for simple maintenance.
- **Quick on/off:** simple design for fast dressing during shifts or outdoor activity.

How to use / When it’s useful

Quick answer: wear it around the neck for warmth or pull it up over the head as a hood when extra coverage is needed. It is designed for cold-weather patrols, outdoor work, or recreational use.

In most cases, this fleece collar works well for tactical kits, military-surplus style setups, winter walks, running, and other outdoor sports where lightweight, packable warmth is needed. Adjust the drawcord to fit snugly or loosely depending on conditions.

Care and notes

Simple maintenance keeps the fleece performing well while preserving fit and appearance.

- **Machine washable:** suitable for washing in a machine.
- **Wash with similar colours:** use mild detergent to protect the fabric.
- **Avoid harsh chemicals:** do not bleach to maintain material integrity.

FAQ

Q: Is the neck warmer one size fits all?

A: Yes. It is taglia unica and includes an adjustable drawcord so it adapts to most head and neck sizes.

Q: Can I use it as a hood or a hat?

A: Yes. The design allows it to be worn around the neck or pulled up to cover the head as a simple thermal hood.

Q: Is the fleece washable in a washing machine?

A: Yes. The black fleece is machine washable; follow mild wash settings and wash with similar colours for best results.

Q: Is this product suitable for outdoor sports?

A: Absolutely. It provides effective insulation for running, hiking, cycling and other cold-weather outdoor activities.

Q: Do professionals use this neck warmer?

A: Yes. It is used by police, Carabinieri and private security services, which supports its use in duty and tactical contexts.

Q: Is the product currently available?

A: Availability is limited and demand is high. If you need it for duty or seasonal use, consider adding it to your cart soon.

Tip: Choose the right choice for your needs—check product images and related tactical or military?style cold-weather accessories to build a complete duty or outdoor kit.
