Product features:

Product short description:

A thermal fleece neck warmer in olive green with an adjustable drawcord. Designed for outdoor enthusiasts and everyday wear, it provides reliable warmth and soft fleece next to the skin on cold days. An essential accessory for anyone seeking practical warmth without sacrificing a clean, tactical-inspired look.

- **Material:** Soft insulating fleece that traps warmth while staying comfortable.
- **Use:** Ideal for hiking, fieldwork, commuting or casual city walks.
- **Fit:** Adjustable drawcord allows a secure, personalized fit to retain heat.
- **Color:** Olive green offers a natural, versatile tone that pairs with tactical and casual gear.
