Product short description:

The Embroidered Medical Badge with Velcro is a compact ID patch for healthcare professionals who want clear identification and fast attachment. High-quality embroidery keeps text readable while the hook-and-loop fastener allows quick mounting to lab coats, uniforms or bags.

- **Material:** High-quality embroidered fabric with durable backing.
- **Attachment:** Velcro (hook-and-loop) for quick, secure fit.
- **Use:** For doctors, nurses and medical staff; fits coats, uniforms and bags.
- **Appearance:** Clear, long-lasting embroidered lettering; available in several colors.

Product description:

Product overview

The Targhetta Medico Ricamata con Velcro is an embroidered name patch designed for medical professionals who want a clear, professional identification on their coat. Definition: a Velcro-backed embroidered patch that reads "Medico" for attachment to medical coats and uniforms.

Made with a white background and red thread, this compact patch fits lab coats, scrubs and many duty or tactical uniform applications where clear medical identification is needed. Stock is limited due to high demand.

Main features

Clear, durable construction with a low-profile fit for everyday professional use.

- **Embroidered design:** Red thread on a white background for high legibility.
- **Durable stitching:** Fade-resistant, high-quality embroidery thread.
- **Velcro backing:** Easy to attach and remove for quick changes.
- **Compact size:** 11 cm length x 2.5 cm height — unobtrusive on any coat.
- **Built for duty:** Suitable for medical staff and compatible with many uniform types (duty, tactical, police medical use).

How to use / When it’s useful

Quick answer: Attach the patch to the Velcro panel on your coat or uniform for immediate identification. It is intended for doctors and other clinical staff who need a visible "Medico" label.

In most cases, the patch is used on lab coats, jackets or scrub tops with Velcro areas; it is also handy for temporary assignments, shift changes or borrowed uniforms. Its easy removal makes replacement and laundering simple.

Care and notes

Basic care keeps the patch clear and long-lasting while keeping the attachment simple and fabric-friendly.

- **Washable:** Can be washed with the coat; embroidery resists normal laundering.
- **Velcro use:** Velcro allows quick on/off without permanent fastening.
- **Size reminder:** 11 cm L x 2.5 cm H — compact and low-profile.
- **Customization:** Currently supplied with the text "Medico"; contact us for custom options.

FAQ

Q: Is the patch washable?

A: Yes. The patch can be washed together with the coat; the embroidery is designed to withstand normal washing without fading.

Q: Can I change the text on the patch?

A: The standard product is supplied only with "Medico". For custom text options, please contact

our customer service to discuss availability.

Q: Will the Velcro damage my coat?

A: The Velcro backing is designed to be gentle on typical uniform fabrics and should not damage standard medical coats when used as intended.

Q: How long does delivery take?

A: Shipping times vary by location, but the patch is generally dispatched within 3–5 working days.

Q: Can I buy multiple patches in one order?

A: Yes. You can add multiple units to your cart and purchase the quantity you need for staff or spare uniforms.

Q: Is this patch suitable for other uniform types?

A: The patch suits lab coats and many duty uniforms where Velcro panels are available; check your uniform’s Velcro area for compatibility.

Tip: Choose the correct quantity and check the patch size (11 cm x 2.5 cm) before ordering; consider browsing matching Velcro panels and other uniform identification items to complete your kit.
