### Product overview

The Portafogli Guardia Giurata is a compact duty wallet designed for security guards, private officers and anyone who needs a professional, pocket-friendly carry for cards and banknotes. Definition: a small security guard wallet featuring a gold-plated badge and practical card and cash storage.

Made from durable, high-quality materials, this security/tactical wallet balances a refined look with everyday functionality. Its badge detail signals authority while keeping essentials organised and accessible.

**Main features**

Key features that combine style and practical storage for duty and everyday use:

- **Gold-plated badge:** Two engraved panels reading "Guardia" and "Giurata" separated by a round enameled GG shield, topped by an open-winged eagle.
- **Card insert:** Interior slot designed for a bank card or credit card.
- **Banknote compartment:** Separate section for folded notes for tidy cash storage.
- **Compact size:** Measures 8.5 x 12 cm when closed — pocket-friendly for duty or plainclothes use.
- **Durable construction:** Built with materials intended to resist daily wear.
- **Limited availability:** Produced in small quantities; stock may run low.

**How to use / When it’s useful**

Use the Portafogli Guardia Giurata as a duty wallet on shifts, or as a discreet daily wallet for officers, security personnel and private guards. Its slim profile fits most pockets and inner jackets without bulk.

Quick answer: carry your main card and folded banknotes in the designated slots for a neat, professional setup. In most cases, this wallet is suitable for routine duty, inspections, and everyday security or police-style use where a compact, authoritative accessory is preferred.

**Care and notes**

Simple care will keep the wallet looking professional and working well over time:

- Wipe the surface and badge gently with a soft, dry or slightly damp cloth; avoid harsh chemicals.
- No dedicated coin pocket is included; small coins are not recommended for regular storage.
- Avoid prolonged exposure to water and extreme heat to protect materials and the plated badge.
- Note the wallet is offered in the standard configuration with the gold badge as described.

## FAQ

**Q:** What are the wallet dimensions?
