Product short description:

The Portachiavi Italia is an embroidered keychain celebrating Italy. Compact and durable, it’s designed for anyone who wants a refined, portable touch of Italian style and national pride.

- **Material:** Made with high-quality materials and detailed embroidery of the Italian flag.
- **Build:** Compact, sturdy construction suited for daily carry and handling.
- **Function:** Keeps keys organized while adding a tasteful accent to your keyring or bag.
- **Gift:** A thoughtful present for friends or family who appreciate Italian design and craftsmanship.

Product description:

Product overview

The Portachiavi ricamato Italia is an embroidered keychain showing the Italian tricolour on both sides, designed for anyone who wants a compact, patriotic accessory for everyday carry. Definition: a durable embroidered fabric key fob measuring 13.5 cm x 2.5 cm, suitable for personal, tactical, or duty use.

It suits collectors, travelers, and professionals who need a visible ID on keys or gear—useful on backpacks, tactical pouches, duty belts, or key rings. The design combines clear national

markings with a practical, sturdy construction.

Main features

Key details at a glance for shoppers looking for a patriotic, functional key accessory.

- **Embroidered tricolour:** Italian flag stitched on both sides for a clean, visible look.
- **Compact size:** 13.5 cm length x 2.5 cm width—easy to find in pockets or bags.
- **Durable materials:** Built to hold up with daily use and common wear.
- **Multi-use:** Works well with house, car, or office keys and on tactical or duty gear.
- **Gift-friendly:** A practical present for friends, family, or colleagues with ties to Italy.

How to use / When it’s useful

Attach the keychain to your key ring, bag loop, or belt D-ring for quick identification and easy access. Quick answer: it makes keys easier to spot and adds a clear Italian marker to gear.

Use it daily for home and vehicle keys, or add it to tactical and duty setups for visible identification. In most cases, the size and construction make it suitable for everyday carry, travel, and uniformed roles.

Care and notes

Basic care keeps the embroidered finish and materials looking good over time.

- Wipe clean with a damp cloth; air dry.
- Made with water-resistant materials, but avoid prolonged submersion.
- Inspect stitching occasionally to ensure long-term durability.

FAQ

Q: Is the keychain water-resistant?

A: Yes. The keychain is made with materials that resist water, but it is not intended for continuous underwater use.

Q: Can I personalize this keychain?

A: Currently this item is sold only with the embroidered Italian tricolour on both sides and is not offered for customization.

Q: What are the exact dimensions?

A: The keychain measures 13.5 cm in length and 2.5 cm in width, a compact size for pockets,

bags, and duty belts.

Q: Is this suitable for tactical or duty use?

A: Yes. Its size and durable build make it appropriate for tactical, military surplus-style setups, and everyday duty carry.

Q: Is this a good gift?

A: Absolutely. It’s a practical and tasteful gift for anyone who appreciates Italian symbols or needs a reliable key fob.

Q: How long does shipping take?

A: Shipping times vary by location; orders are generally dispatched within 3–5 business days.

Tip: Choose the style or variant that best fits your key setup (ring size or attachment preference) and browse related keychains and gear to complete your everyday carry or tactical kit.
