Product description:

Product overview

The Decorazione per Comunità is an official medal awarded by the Dipartimento di Protezione

Civile to communities recognized for exceptional service in emergency management and territorial protection. It is intended for municipalities, volunteer groups or local organizations formally cited by the national civil protection authority.

Definition: The Decorazione per Comunità is an official commemorative medal that honors collective civic duty and coordinated civil protection efforts. This gold-coloured metal medal (8 cm diameter) comes in a blue presentation box and is produced after verification of the issuing attestazione.

Main features

Key attributes of the medal and presentation case designed for display and long-term preservation.

- **Material:** high-quality gold-coloured metal medallion, 8 cm diameter.
- **Front design:** raised shiny logo of the Dipartimento di Protezione Civile.
- **Back engraving:** personalized with the date of the Decreto del Presidente del Consiglio dei Ministri (DPCM).
- **Presentation box:** blue case, 11 cm x 15.5 cm x 3 cm, with coloured Protezione Civile Nazionale logo and white circular lettering.
- **Interior:** white satin-like lining and blue velvet panel shaped to elevate the medal for display.
- **Order control:** produced and shipped only after verification of the official attestazione from the Dipartimento Nazionale di Protezione Civile.

How to use / When it’s useful

This medal is suitable for formal presentations, civic ceremonies, municipal display or institutional archives. Use it to recognize community teams, volunteer groups and local services involved in civil protection and emergency response.

Quick answer: you can order the medal once you have the official attestazione from the Dipartimento Nazionale di Protezione Civile and submit the required details via the Tutto Militare contact function. In most cases, production begins after document verification and delivery timing varies by location and order specifics.

Care and notes

Basic care keeps the medallion and box in presentation-ready condition; note the ordering requirements and limited availability due to the award's official nature.

- Store the medal in its blue presentation box to avoid scratches and dust.
- Clean the medallion with a soft, dry cloth; avoid abrasive cleaners or chemicals.
- Ensure you upload the attestazione from the Dipartimento Nazionale di Protezione Civile

when ordering—verification is mandatory.
- Delivery times vary; Tutto Militare handles production and shipping with care after paperwork is approved.

FAQ

Q: Who can receive the Decorazione per Comunità?

A: The award is granted to communities formally recognized by the Dipartimento di Protezione Civile for notable service in emergency management and territorial protection.

Q: How do I order the medal?

A: To order, provide the details from the attestazione issued by the Dipartimento Nazionale di Protezione Civile and submit them via the Tutto Militare contact function for verification.

Q: What are the medal dimensions?

A: The medallion is 8 cm in diameter and is supplied in a blue presentation box sized 11 cm x 15.5 cm x 3 cm.

Q: What is engraved on the back of the medal?

A: The back is engraved with the date of concession from the Decreto del Presidente del Consiglio dei Ministri (DPCM) to formalize the award.

Q: How long does delivery take?

A: Production and shipping begin after documentation is verified. Delivery times vary by destination and customer requirements; Tutto Militare aims to ship items in perfect condition as quickly as possible.

Q: Can the medal be customized?

A: The medal includes the official DPCM date engraving on the reverse. Other customizations are not mentioned in the official description and may not be available.

Tip: Before ordering, confirm which variant or presentation you need and have the official attestazione ready for upload. Check related civic recognition items in our catalogue to complete ceremonies and displays without rushing the verification and shipping process.
